Kevin Klauer, DO, FACEP (OH)	Jennifer Wiler, MD, MBA, FACEP (CO)

Board Liaison: James J. Augustine, MD, FACEP

Staff Liaison: Stacie Jones, MPH

Data Integrity & Research Subcommittee

1. Review, adjudicate, and recommend responses to data requests.
2. Advise registry vendor on internal audit and validation procedures.
3. Review responses to inquiries that address questions regarding accuracy of data.
4. Advise, design, publish, and disseminate registry research results.

Data Standards Subcommittee

1. Provide input and advice to the data registry vendor, Quality Measures Technical Expert Panel, and the ACEP Board regarding administrative data, claims-based, clinical and EHR data sets, data sources, data definitions, and data standards.

Measure Development Subcommittee

1. Develop, specify, maintain, and recommend quality measures to protect and enhance emergency care.

**2015-16
Committee Objectives**

Member Education & Learning Collaborative Subcommittee

1. Develop Maintenance of Certification (MOC) Part II and Part IV activities regarding registry implementation, registry metrics, quality improvement collaborative, and registry research results in conjunction with the Education MOC Subcommittee (Education Subcommittee as the lead subcommittee.)

Member Outreach, Recruitment, & Marketing Subcommittee

1. Recruit, engage, and engage clinical data registry participants and participant groups and advise on outreach efforts.
