

Final Committee Objectives 2020-21
Clinical Emergency Data Registry Committee

Chair: Michele P. Lin, MD, FACEP
Board Liaison: Aisha T. Terry, MD, MPH, FACEP
Staff Liaison: Pawan Goyal, MD

Steering

1. Develop short and long range plans for the registry.
2. Participate in the understanding of existing and future government rules and regulations driving the registry and measures process, related to MACRA, MIPS, and APMs and the impact they have to CEDR and Emergency Medicine.

Measure and Data Validation

3. Develop data acquisition and analytics capabilities to meet the following goals in collaboration with the CEDR 2.0 Source Selection Task Force, potentially using an outside vendor:
 - Design efficient data refinement, process, validation and reliability testing
 - Produce annual reports which summarize statistics and best practices
 - Develop processes that result in cleaned, and deidentified data for research
 - Provide ad hoc responses to government requests
4. Support the quality measure development lifecycle by providing feedback on existing quality measures and supporting testing efforts for new quality measures.
5. Provide feedback on quality measure concepts developed by the Quality & Patient Safety Committee.
6. Support the quality measure requirement in relation to alternative payment models (AACM and AUCM models).
7. Respond to CMS requests and engage with other EM group / registries on specific measures / requests other specialty registries on overlapping measures (ex. Radiology)

Research and Publication

8. Leverage the Clinical Emergency Data Registry (CEDR) data for clinical research by:
 - Developing and implementing a data validation process for CEDR dataset, in collaboration with the CEDR 2.0 Source Selection Task Force, potentially using an outside vendor. (Data validation process must be established prior to completion of remaining objectives.)
Developing governance structure for future RFP for research proposals utilizing the CEDR dataset and establishing norms for CEDR dataset use for research.

Education

9. Create educational materials for ACEP members regarding CEDR and federal programs.

Marketing and Member Outreach

10. Provide oversight and update short and long-term CEDR marketing plans.
11. Drive and expand engagement of participant and interested groups through:
 - Monitoring and increasing the use of the engagED CEDR user community
 - Publishing a newsletter on a quarterly basis
 - Initiating an annual participant experience survey and user interview to identify areas of strength and weakness in the customer experience.
12. Develop and implement a participant experience improvement plan informed by the survey and interviews to improve the CEDR customer experience.
13. Provide an analysis of the value of CEDR in understanding future pandemics and the impact of pandemics on ED visits in 2020 and in the future.
