5. Establish best practices in committee communications with chapters to accomplish assigned tasks, including identifying ways to assist smaller chapters in effectively maintaining their bylaws because of a lack of resources and expertise.
6. Review proposed 2022 Bylaws resolutions to determine if there are conflicts with other portions of the Bylaws. Review proposed 2022 Council Standing Rules and proposed 2022 College Manual resolutions to determine if there are implications for the Bylaws if these resolutions are adopted.
