

American College of
Emergency Physicians®

ADVANCING EMERGENCY CARE 

POLICY STATEMENT

Approved June 2015

Universal Health Care Coverage

Reaffirmed by the ACEP
Board of Directors
June 2015

Revised and approved by the
ACEP Board of Directors
August 2009

Originally approved by the
ACEP Board of Directors
December 1999

The American College of Emergency Physicians (ACEP) believes:

- All Americans must have health care coverage;
- Health care coverage will contain a benefits package that provides for timely, unrestricted access to quality emergency care;
- Any benefit package should reflect generally accepted standards of medical practice supported by outcome-based evidence, where available.
