Discuss open comments on headache draft

Major Points Discussed

Dr. Godwin, with assistance from Dr. Shih, led the discussion regarding the open comments on the draft headache policy. Recommendations were made for revision to the draft based on the comments. Committee members were asked to forward any additional responses related to the comments to Mr. Schulz by April 24. Dr. Godwin and Dr. Shih will incorporate the changes in the draft and forward the draft to Mr. Schulz. The draft will then be prepared for presentation to the Board in June.
