Agenda

1. Proposed critical questions for airway clinical policy
2. Board comments on blunt trauma policy critical questions

Major Points Discussed

1. Dr. Hahn and Dr. Godwin led the discussion on the proposed critical questions for the airway clinical policy. The Committee discussed the proposed critical questions. The subcommittee will review the critical questions and create a focused list based on the Committee’s input.

2. Dr. Wolf updated the Committee on the Board review of the critical questions for the blunt trauma clinical policy. There were no comments on the critical questions from the Board. The critical questions will now be prepared for the literature search.
