Agenda  
1. Draft stroke critical questions  
2. High-sensitivity troponin tests document  

Major Points Discussed  
1. Dr. Lo led the discussion on the proposed critical questions for the stroke clinical policy. The Committee discussed the proposed questions. The critical questions will be sent to the E-QUAL Stroke Workgroup for input before coming back to the Committee for review.  
2. Dr. Promes led the discussion regarding the need to create a document on high-sensitivity troponin. The Committee will review the available options and make a recommendation during the next Committee call.
