Thank you for your interest in becoming an ACEP Spokesperson. You’ll be joining more than 650 of your fellow ACEP members nationwide who work with ACEP’s Public Relations Office to help spread ACEP’s messages on policy and health/safety-related issues. You could be called upon to provide information about activity in your state regarding a local health or policy issue, submit a letter to the editor to your local paper, or conduct a media interview with a member of the press. There is no minimum time commitment required – you may be involved as little or as much as you are able.

1. Visit www.acep.org to log into your personal ACEP account. If you do not know your log-in information or are having trouble, please contact ACEP’s Member Care Department at 972-550-0911 or Elaine Salter in ACEP’s Public Relations office 202-370-9289.

2. Click on My ACEP

3. Click the edit button to bring up your personal membership record.
4. Click on the link for “Spokespersons’ Network”

5. Please proceed to update your record. [Note: this information is independent of ACEP’s general membership database so any updates made there, are not automatically transferred. If you need to update your general membership record, please contact the Member Care department at 972-550-0911.] Please include an email and cellphone number where we can contact you in the event we need you for a spokesperson-related issue. This does not have to be the phone number or e-mail where you receive general ACEP communications. Information is kept strictly private and is not shared with anyone outside of ACEP without your permission.
6. Please identify your media-related experience and preferred topics of expertise. Please try to limit your topics to 10. You will not be limited to responding to requests for information/interviews in other areas.

7. Please click on the two boxes to agree to the Spokespersons’ Network terms and conditions. Click UPDATE to submit.

Thank you for submitting your application. As soon as it’s approved, you will start receiving emails. E-mails are identified in the subject line with the text “ACEP Spokespersons” (or similar). You will only receive an e-mail when we have a need for our Spokespersons’ Network, not a set basis.

If you have problems completing the online form, please contact Elaine Salter in ACEP’s Public Relations Office at 202-370-9289 or esalter@acep.org.
