Why is it a challenge to get members involved? What motivates members to be involved and to lead?

As a leader, what is YOUR biggest strength, and how might you amplify it?

As a leader, what is YOUR biggest weakness, and how might you minimize it?

How might leadership recruitment and development strategies differ and be similar?

What recruitment strategies work?

What recruitment strategies don’t work?

What skillset is YOUR Chapter leadership lacking?

If YOUR Chapter doesn’t have a leadership development program, why not??
