

# DAY 1

MONDAY, OCTOBER 26, 2020

- **30 minute sessions** will be 25 minutes with 5 minutes of Q/A with faculty
- **1 hour sessions** will be 50 minutes with 10 minutes of Q/A with faculty
- Dozens of other courses available **ON DEMAND** beginning Oct. 26 – *check Courses By Track page*
- **Come and go** to the live events as you please, or explore on your own time
- More details to come about the **activities beyond the educational** courses

7:00 am - 7:45 am  
Instructor-led Workout /Yoga

Central Daylight Time (CDT)

8:00 am	Simulation Case Scenarios	Expert Theater / Satellite Symposium	<b>On-demand Courses</b> available 24/7	
8:30 am	Simulation Case Scenarios	Expert Theater / Satellite Symposium		
9:00 am	<b>ACEP20 MAIN STAGE</b>			<b>Exhibit Showcase</b> available to explore on your own 24/7 or set up appointments
9:30 am	NIAID Director Dr. Anthony Fauci, followed by a panel on Lessons Learned: Global Response to COVID-19			
10:00 am	<b>Colin C. Rorrie Lecture</b> Annual Census Ten Million: Emergency Medicine in the State Capital	Abdominal Pain that Isn't: The Masqueraders	Critical Update: Coronavirus (COVID-19)	Gender and Emergency Care - The Global Drive Towards Equality
10:30 am		Top 5 Habits of Highly Successful Emergency Physicians		
11:00 am	Simulation Case Scenarios	Expert Theater: Brault - No More Training Wheels: The Risks and Rewards Under Full MACRA in 2022		
11:30 am	Simulation Case Scenarios	Expert Theater: Alexion Pharmaceuticals	<b>YPS Section Keynote</b> How Will COVID-19 Affect Our Financial Future?	<b>Research Forum</b> posters available 24/7 with live abstract presentations
12:00 pm	Simulation Case Scenarios			
12:30 pm	Simulation Case Scenarios	Expert Theater: Janssen Pharmaceuticals - Clinical Insights in VTE: Treatment & Risk Reduction through Prophylaxis		
1:00 pm	Simulation Case Scenarios	Expert Theater: Beckman Coulter - Monocyte Distribution Width (MDW) For Early Detection of Sepsis in Emergency Department - From Saint Louis to Ile Saint Louis		
1:30 pm	Simulation Case: Advances in Guided Lung Ultrasound, Presented by Philips Healthcare		<b>Exhibitor Appointments</b>	<b>EMRA Activities</b> for residents and students throughout. Check emra.org for details
2:00 pm	Simulation Case Scenarios	Expert Theater / Satellite Symposium		
2:30 pm	Simulation Case Scenarios			
3:00 pm	Simulation Case Scenarios			
3:30 pm	Simulation Case Scenarios			
4:00 pm	High-Risk Patients and Providers (COVID)	Shaken Not Stirred: Alcohol Withdrawal	Cruising the Literature: PEM 2020	
4:30 pm	Fixing Faces Painlessly: Facial Anesthesia, Regional Blocks	More Than A Poke To The Eye: Traumatic Eye Injuries		
5:00 pm	Unpacking the Black Box - Diagnosing Pulmonary Embolism in Pregnancy	How to Prevent Intubation	Above Us Only Sky: Exploring Transitions, Challenges, & Strategies of Women in Leadership Roles	
5:30 pm	Emergency Care for Transgender Patients	Classic Pediatric Rashes		
6:00 pm	<b>Guac With a Doc</b>			
6:30 pm				
7:00 pm	<b>Knowledge Bowl</b> - more details to come on how to form a team	<b>Fortnite Gaming Tournament</b> - Round 1	<b>Mix &amp; Mingle</b> - with Christopher S. Amato, MD, FACEP and Marianne Gausche-Hill, MD, FACEP	
7:30 pm				
8:00 pm				
8:30 pm				
9:00 pm	Controversies in Prehospital Care: The Evidence vs the Fad	Lung Ultrasound in the Age of COVID	Critical Update in Toxicology 2020	
9:30 pm	ENT Bleeding: When Do I Phone a Friend	Cruising the Literature: Trauma 2020		
10:00 pm	Resuscitation-Minded: Metacognition at the Bedside	Send Them Out: How to Choose Appropriate Patient Transport Methods	Advanced Recognition and Treatment of Brady and Tachycardias	
10:30 pm	International Medicine Migrating Your Way	How to be an Effective Mentor		
11:00 pm				

# DAY 2

## TUESDAY, OCTOBER 27, 2020

- **30 minute sessions** will be 25 minutes with 5 minutes of Q/A with faculty
- **1 hour sessions** will be 50 minutes with 10 minutes of Q/A with faculty
- Dozens of other courses available **ON DEMAND** beginning Oct. 26 – *check Courses By Track page*
- **Come and go** to the live events as you please, or explore on your own time
- More details to come about the **activities beyond the educational courses**

7:00 am - 7:45 am  
Instructor-led Workout /Yoga

Central Daylight Time (CDT)

8:00 am	Satellite Symposium: BioFire Diagnostics - Race Against the Clock Timely Diagnosis of Respiratory Infections and Meningitis in the ED		Expert Theater: Bristol Myers Squibb - Overview of Immune-Related Adverse Events Caused by Immune Checkpoint Inhibition		<b>On-demand Courses</b> available 24/7
8:30 am					
9:00 am	Lessons Learned: Airway Management for COVID-19 Patients	Physical Exam vs Imaging in Blunt Neck Injuries	Acute Decompensated Heart Failure: Time Critical Interventions		<b>Exhibit Showcase</b> available to explore on your own 24/7 or set up appointments
9:30 am	Chest Tubes: Pearls & Pitfalls	New Sepsis Guidelines: Latest But Not Greatest			
10:00 am	<b>James D. Mills, Jr. Memorial Lecture</b> #NoSilenceonEDViolence: Workplace Violence Against Emergency Physicians	Stop the Bleeding: New Technologies For Hemorrhage Control	Under Pressor! Utilizing IV Pressors in the ED	ACEP Spokesperson Media Training:ACING Even the Toughest Interviews	
10:30 am		Lung Bugs & Drugs 2020			
11:00 am	<b>ACEP20 MAIN STAGE</b>				<b>Research Forum</b> posters available 24/7 with live abstract presentations
11:30 am	Racial Health Disparities and Inequities in America: Where Do We Go From Here? Ibram X. Kendi, PhD, with ACEP leaders				
12:00 pm	Simulation Case: Advanced Life Support Solutions/EMS: From First Response to Critical Care, We'll Be There, Presented by Phillips		Expert Theater: Pitfalls in Pit Viper Envenomation Management, Presented by BTG International		<b>Exhibitor Appointments</b>
12:30 pm	Simulation Case Scenarios				
1:00 pm	Simulation Case Scenarios		Expert Theater: Alexion Pharmaceuticals		<b>EMRA Activities</b> for residents and students throughout. Check emra.org for details
1:30 pm	Simulation Case: Presented by Vave Health				
2:00 pm	Simulation Case Scenarios		Expert Theater: Abbott POC - TBI Evaluation in the Emergency Department: Today's Challenges and Tomorrow's Opportunities		
2:30 pm	Simulation Case Scenarios				
3:00 pm	Satellite Symposium: Bristol-Myers Squibb and Merck & Co, Inc - Managing Immune-Related Adverse Events in the ED with the Advent of Combination Therapies		Expert Theater / Satellite Symposium		
3:30 pm					
4:00 pm	TIA Management: Don't Just Do Something, Stand There	Experimental Treatments with COVID-19, What Worked and What Didn't?	Non-Traditional AMI Presentations: Don't Miss the Diagnosis		<b>Live Stream</b> of puppies and kittens and kittens to share a relaxation break
4:30 pm	Orthopedic Pearls & Pitfalls	Emergency Physician Compensation Update 2020			
5:00 pm	Newborn Resuscitation: Born But Not Breathing	Averting Common Airway Errors	Working as a Female in the ED: Coffee House Chat		
5:30 pm	Emergency Delivery: Are You Prepared?	Neurologic Manifestations of COVID-19: Don't Miss this Presentation			
6:00 pm	Mix & Mingle - with Michael A. Granovsky, MD, FACEP and Edward R. Gaines, III, JD, CCP				<b>Member Art Gallery</b> A showcase of EM's amazing humanities talent
6:30 pm					
7:00 pm	Trivia Night - more details to come on how to play		Fortnite Gaming Tournament - Round 2		
7:30 pm			Theater of War - Live, dramatic readings by acclaimed actors to help healing & constructive discussions.		
8:00 pm					
8:30 pm					
9:00 pm	How to Give a Killer Talk	Secured the Airway, Now What? Best Practices for Post-Intubation Sedation	From Paper to Patient: Recent Advances in Emergency Electrocardiography that Will Save a Life		
9:30 pm	New Cardiac Drugs: How, What, and When to Use Them in the ED	Pediatric Trauma Pearls and Pitfalls			
10:00 pm	Rashes to Know in the Anti-Vax Population	Telemedicine: Which Side of the Camera are You On?	Many Faces of Disaster		
10:30 pm	Paranoid to Paralyze: How to Safely Perform Awake Intubations	Hemostasis Without Direct Pressure: ED Applications of Tranexamic Acid			
11:00 pm					

# DAY 3

WEDNESDAY, OCTOBER 28, 2020

- **30 minute sessions** will be 25 minutes with 5 minutes of Q/A with faculty
- **1 hour sessions** will be 50 minutes with 10 minutes of Q/A with faculty
- Dozens of other courses available **ON DEMAND** beginning Oct. 26 – *check Courses By Track page*
- **Come and go** to the live events as you please, or explore on your own time
- More details to come about the **activities beyond the educational courses**

7:00 am - 7:45 am  
Instructor-led Workout /Yoga

Central Daylight Time (CDT)

8:00 am	Satellite Symposium: AstraZeneca - Emergency Department on Alert: Solving Oncologic Emergency Quandaries During the Immuno-Oncology Era and COVID-19 Pandemic		Expert Theater / Satellite Symposium	<b>On-demand Courses</b> available 24/7
8:30 am				
9:00 am	The Unvaccinated Child in the Pediatric ED	Black Box Drugs We Use: What's the Risk?	Maintaining Your ABEM Certification: Review of 2020 Lifelong & Learning & Self-Assessment Articles	<b>Exhibit Showcase</b> available to explore on your own 24/7 or set up appointments
9:30 am	Badges, Games, and Escape Rooms? Innovative Education for Today's Learner	Pediatric Patients and COVID: Carriers and Presentations of Disease		
10:00 am	<b>Nancy J. Auer Lecture</b> Building a Better Workplace: Creating Diversity & Inclusion in Your ED!	There's an App for That! Phone Apps You Should Know About	Dermatology Jeopardy	
10:30 am		Subtle Signs of Abuse		
11:00 am	Simulation Case Scenarios		Expert Theater: Janssen Pharmaceuticals - Clinical Insights in VTE: Treatment & Risk Reduction through Prophylaxis	<b>Research Forum</b> posters available 24/7 with live abstract presentations
11:30 am	Simulation Case Scenarios			
12:00 pm	Simulation Case Scenarios		Expert Theater / Satellite Symposium	
12:30 pm	Simulation Case Scenarios			
1:00 pm	Simulation Case Scenarios		Expert Theater / Satellite Symposium	<b>Exhibitor Appointments</b>
1:30 pm	Simulation Case Scenarios			
2:00 pm	Simulation Case Scenarios		Expert Theater / Satellite Symposium	<b>EMRA Activities</b> for residents and students throughout. Check emra.org for details
2:30 pm	Simulation Case Scenarios			
3:00 pm	Simulation Case Scenarios		Expert Theater / Satellite Symposium	
3:30 pm	Simulation Case Scenarios			
4:00 pm	Medical Errors: Prevention and Disclosure	Combating Violence at Home During a Pandemic (COVID)	Toxicology Jeopardy	<b>Live Stream</b> of puppies and kittens to share a relaxation break
4:30 pm	Fire Behind the Smoke: Vaping Related Illness	Atrial Fibrillation Update 2020: Don't Miss a Beat		
5:00 pm	Still Dope: New on the Scene	The ICU is Not Ready for Your Critical Patient, Are You?	Critical Care Emergency Ultrasound	
5:30 pm	How to Sleep Soundly after Discharging Suicidal Patients from Your ED	Beyond Intubation: ARDS in COVID		
6:00 pm	<b>ACEP20 MAIN STAGE</b>			<b>Member Art Gallery</b> A showcase of EM's amazing humanities talent
6:30 pm	The State of Emergency Medicine: a roundtable discussion with ACEP Leaders			
7:00 pm	Dinner with Nutritionist Joy Bauer, MS, RDN			
7:30 pm	Fortnite Gaming Tournament - Round 3	Mix & Mingle - with Diane M. Birnbaumer, MD, FACEP and James D. Thompson, MD, FACEP		<b>S'mores &amp; Storytelling</b>
8:00 pm				
8:30 pm				
9:00 pm	Contract Nightmares: Due Process, Indemnification Clauses, and Non-Competes	Critical Appraisal and FOAMed: Is FOAMed the Problem or the Solution?	Infectious Disease Game Show	
9:30 pm	Poisoned & Bizarre! ECGs in Toxicologic Emergencies	Trauma STAT! Fluids, Factors & the TEG!		
10:00 pm	Current Recommendations for STI Treatment: Are You Up-to-Date?	RVU Killers: The Most Common Reimbursement Documentation Errors	Blocks Unblinded: Ultrasound Guided Regional Anesthesia	
10:30 pm	Whole Lotta Shakin' Goin' On: Update on Seizure & Status Management	Diversity: If You Build it They Will Come...and Stay		
11:00 pm				

# DAY 4

## THURSDAY, OCTOBER 29, 2020

- **30 minute sessions** will be 25 minutes with 5 minutes of Q/A with faculty
- **1 hour sessions** will be 50 minutes with 10 minutes of Q/A with faculty
- Dozens of other courses available **ON DEMAND** beginning Oct. 26 – *check Courses By Track page*
- **Come and go** to the live events as you please, or explore on your own time
- More details to come about the **activities beyond the educational** courses

7:00 am - 7:45 am  
Instructor-led Workout /Yoga

Central Daylight Time (CDT)

8:00 am	Simulation Case Scenarios	Expert Theater / Satellite Symposium	On-demand Courses available 24/7
8:30 am	Simulation Case Scenarios	Expert Theater / Satellite Symposium	
9:00 am	ECG in Syncope: An Expert Approach	JFK Assassination: The Medical History	Exhibit Showcase available to explore on your own 24/7 or set up appointments
9:30 am	Teaching on the Run: Tips & Tricks to Make Teaching More Efficient & Fun	Sweat the Small Stuff: Optimizing Bedside Care of the COVID Patient	
10:00 am	Brooks F. Bock Keynote Lecture and Abstract Value Added by Research to Emergency Care	Dead Tired: The Impact of Fatigue on Patient Safety and Physician Wellness	Research Forum posters available 24/7 with live abstract presentations
10:30 am		Seeing Soundwaves: Ocular US	
11:00 am	Simulation Case Scenarios	Expert Theater / Satellite Symposium	EMRA Activities for residents and students throughout. Check emra.org for details
11:30 am	Simulation Case Scenarios	Expert Theater / Satellite Symposium	
12:00 pm	Simulation Case Scenarios	Expert Theater / Satellite Symposium	Live Stream of puppies and kittens to share a relaxation break
12:30 pm	Simulation Case Scenarios	Expert Theater / Satellite Symposium	
1:00 pm	Simulation Case Scenarios	Expert Theater / Satellite Symposium	Member Art Gallery A showcase of EM's amazing humanities talent
1:30 pm	Simulation Case Scenarios	Expert Theater / Satellite Symposium	
2:00 pm	Simulation Case Scenarios	Expert Theater / Satellite Symposium	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos
2:30 pm	Simulation Case Scenarios	Expert Theater / Satellite Symposium	
3:00 pm	Simulation Case Scenarios	Expert Theater / Satellite Symposium	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos
3:30 pm	Simulation Case Scenarios	Expert Theater / Satellite Symposium	
4:00 pm	Quick Tips: ENT Procedures in the ED	Pediatric Status Asthmaticus in 2020: What's in Your Kitchen Sink	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos
4:30 pm	Alternative Payment Models: Exploring the Reimbursement Frontier	Imaging Overtesting and Overuse: Just How Dangerous Is It?	
5:00 pm	Capnography - Not Just For the Intubated	The Death Rash: Lethal Rashes You Can't Miss	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos
5:30 pm	Medical Mimics: Medical Causes of Psychiatric Symptoms	In Vitro Fertilization Patients and ED Presentations: Pearls and Pitfalls	
6:00 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos		
6:30 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos		
7:00 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos		
7:30 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos		
8:00 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos		
8:30 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos		
9:00 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos		
9:30 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos		
10:00 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos		
10:30 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos		
11:00 pm	ACEP20 MAIN STAGE The Science of Happiness with Dr. Laurie Santos
