(1) A person who is a health care provider as defined in Section 78B-3-403 who provides emergency care in good faith, but is not immune from suit because of an expectation of payment, a legal duty to respond, or other reason under Section 58-13-2, may only be liable for civil damages if fault, as defined in Section 78B-5-817, is established by clear and convincing evidence.

(3) This section does not apply to emergency care provided by a physician if:
