

Paul R. Sierzenski, MD, MSHQS, FACEP

Professor of Emergency & Internal Medicine
Renown Health Vice President

Chief Medical Officer Acute Care Services Patient Advocate-Quality & Safety Champion-Physician
Executive

Dr. Sierzenski graduated Temple University on a full academic scholarship. He continued at Temple Medical School (1996) and completed his residency in Emergency Medicine at Christiana Care Health System (CCHS), in DE where he served as Chief Resident.

In 2000, following his Emergency Ultrasound Fellowship, he returned to CCHS where he now services as Medical Director for Clinician Performed Imaging, and Senior Academic faculty for the Department of Emergency Medicine.

In 2001, Dr. Sierzenski founded Emergency Ultrasound Consultants, LLC (EUC), a national leader in point-of-care ultrasound education and quality assurance solutions, encompassing over 25 board-certified and fellowship trained physicians nationally certified in ultrasound.

Dr. Sierzenski has lectured nationally/internationally on topics of ultrasound, imaging, & quality measures. He has authored numerous peer-reviewed papers, abstracts and texts. He has served as the Chair of several national committees. He has served on several National Quality Forum (NQF) Steering Committees and multiple AMA, ACR and CMS expert panels. Dr. Sierzenski served as a member of the Centers for Medicare and Medicaid Services, Medical Evidence Development Clinical Advisory Committee CMS-MedCAC (2008-2012)

Dr. Sierzenski served as the Associate Physician Director for the Acute Medicine Service Line at Christiana Care and then as the Chief Quality Officer for the CCHS \$1.3B Acute Medicine Vertical. In 2015 he completed his Masters in Healthcare Quality and Safety through the Jefferson School of Population Health.

In 2017 he joined Renown Health, a fully integrated health system as VP and CMO of Acute Care at Renown Health, an 1100 bed health system for Northern Nevada. He leads clinical quality, improvement and interfaces with all aspects of the health system including Renown's Health insurance product, ACO, skilled nursing & rehab services. Dr. Sierzenski has demonstrated outcomes in physician and medical staff engagement, alignment and quality / safety, culture development with a focus on sustainability.
