# RESIDENCY & MED SCHOOL REUNION EXPERIENCE

## About

This year, we're bringing residency programs and medical schools together like never before. One shared space, one unforgettable night, and one goal: to be the program everyone remembers.

**ACEP26** is one of the few times the entire emergency medicine community is together in one place, and we know residency programs and med schools already use this opportunity to connect with alumni. Instead of leaving that to chance, we're creating intentional spaces that give those reunions a home—making it easier for alumni, residents, and faculty to find each other, strengthen connections, and bring energy and pride to each program.

## Interactive Map

**\$7,500**

Anchor the experience. Your brand will be prominently featured on the large-scale interactive event map, one of the most visited and photographed elements of the evening. A natural gathering point with constant engagement.

## Photo Booth

**\$5,000**

Be part of every memory. Sponsor the event's photo experience and give attendees a branded keepsake to take home. Includes logo placement on photo strips and digital shares, ensuring continued visibility beyond the event.

## General Lounge Supporter

**\$5,000**

Be at the center of it all, these central lounges offer high visibility with continuous foot traffic and a comfortable place for attendees to gather throughout the evening.

## DJ

**\$7,500**

Set the scene for a fun night full of musical energy from past decades with this support opportunity includes high visibility signage and verbal recognition from the DJ booth.
