WELCOME TO ACEP26!

Your ACEP26 experience is yours to design.

Created by emergency physicians for emergency physicians, ACEP26 offers countless opportunities to explore new ideas, sharpen your skills, expand your network, and advance your career. From groundbreaking clinical content to exciting social gatherings, every path offers something new. Chart your own course and discover what inspires you most. Dive in.

Registration Hours

10:00 am – 6:00 pm | Sunday, Oct. 4

7:00 am – 6:00 pm | Monday, Oct. 5

7:00 am – 5:30 pm | Tuesday, Oct. 6

7:00 am – 6:00 pm | Wednesday, Oct. 7

7:30 am – 1:00 pm | Thursday, Oct. 8

McCormick Place Convention Center | Level 3 | West Center Lobby

Exhibits

10:00 am – 4:00 pm | Monday, Oct. 5

9:30 am – 4:00 pm | Tuesday, Oct. 6

9:30 am – 12:30 pm | Wednesday, Oct. 7

McCormick Place Convention Center | Level 3 | F1/F1A/F2/F2A

Grab coffee or soda while visiting the more than 250 exhibitors in the Exhibit Hall. Many exhibits feature hands-on product demonstrations and opportunities for one-on-one consultations with technical and marketing personnel.

While in the Exhibit Hall, be sure to:

- Visit ACEP Central, AI Innovation Zone, and more!
- Participate in one or more of the exciting Expert Theater presentations
- Test your knowledge during the PEER Ultimate Championship

At all times, an adult must accompany children younger than 18 years old. All guests must have a guest pass to enter. Visit the Registration Area for guest pass details. Under no circumstances are children or guests allowed in the exhibit area until the official opening of exhibits.

Breaks

Complimentary coffee and sodas available during daily breaks at these times:

Exhibit Hall

Monday, Oct. 5

10:00 am – 12:30 pm | 2:30 – 4:00 pm

Tuesday, Oct. 6

11:00 am – 12:30 pm | 2:30 – 3:30 pm

Wednesday, Oct. 7

11:00 am – 12:30 pm

Wifi Access at McCormick Place

Network: ACEP26

Password: Boston (if required)

Convention Office

If you have questions or comments while attending ACEP26, please stop by the Convention Office.

7:00 am – 6:00 pm | Sunday, Oct. 4

7:00 am – 6:00 pm | Monday, Oct. 5

7:00 am – 5:00 pm | Tuesday, Oct. 6

7:00 am – 5:00 pm | Wednesday, Oct. 7

7:00 am – 1:30 pm | Thursday, Oct. 8

McCormick Place Convention Center | Level 4 | W470A

Nursing Mother's Lounge

Nursing pods will be available at McCormick Place Convention Center during the pre conference days on October 3 and 4.

8:00 am – 5:00 pm | Monday, Oct. 5

8:00 am – 5:00 pm | Tuesday, Oct. 6

8:00 am – 5:00 pm | Wednesday, Oct. 7

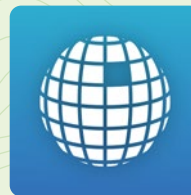

8:00 am – 1:00 pm | Thursday, Oct. 8

Marriott Marquis | Level 2 | Marina City

Mobile App

Download the ACEP Events mobile app to access the complete course and Research Forum schedules, search faculty bios, and access presentations and course evaluations. To use the app:

1. Download "ACEP Events" from the Apple Store or Google Play Store. *Please note: This is a new app for ACEP26. If you have the ACEP Meeting app, feel free to delete this from your device.*
2. Log in with the username and password you used to register for ACEP26.
3. Check your notifications often, located in the footer at the bottom of the app. You will receive any updates, schedule changes, late-breaking activities, as well as messages from friends.

[Click here](#) or scan the QR code to download the ACEP Events mobile app for up-to-date details!

Can't Miss Events

New Frontiers in Emergency Medicine | October 5 | 9:00 - 10:30 am

Where: McCormick Place Convention Center | Level 3 | W375CDE

From space exploration to Olympic competition, see how emergency medicine equips physicians to thrive as innovators and leaders. Featuring incoming ACEP President Ryan Stanton, a special ISS video call* with NASA astronaut and emergency physician **Anil Menon**, and a panel of emergency physicians with careers in tactical medicine, entrepreneurship, media, elite sports, and leadership.

*Pending final internet availability from the ISS

Wine & Wander Welcome Party

October 5 | 4:30 - 6:00 pm

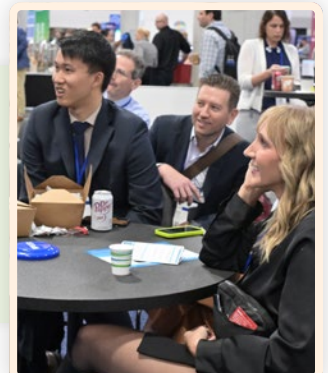

Where: McCormick Place Convention Center | Level 3 | F1/F1A/F2/F2A

Ease into the evening at ACEP Park as the exhibit hall turns into the Wine & Wander Welcome Party. Enjoy a live DJ, sip wine, sample light bites, and join Section Meetups to keep the momentum going.

ACEP26 Challenge Series | October 5 - 7

Check Mobile App for complete details

Ready to compete? Join the Challenge Series and take part in the Conference Scavenger Hunt, test your knowledge during the Game On CME series, complete the Booth Passport for prizes, and play along with the live quiz show in the Exhibit Hall. Learn, engage, and have fun along the way!

EM:RAP On Location

Where Education Meets Energy | October 6 | 9:00 - 11:00 am

Where: McCormick Place Convention Center | Level 3 | W375CDE

Join EM:RAP live on stage at ACEP26 for an unforgettable experience of cutting-edge emergency medicine education. Featuring the dynamic voices of EM:RAP's renowned faculty, this event brings engaging conversations, high-yield clinical pearls, and the signature energy that defines EM:RAP. Whether you're a longtime listener or new to the EM:RAP community, this is your chance to be part of something truly special.

ACEP | Vituity Wes Curry Community Impact Summit

October 6 | 4:00 - 6:00 pm | IL Culaccino

Be part of the ACEP | Vituity Wes Curry Community Impact Summit, a premier networking event celebrating the growing impact of emergency medicine physicians. This evening will honor exceptional leaders with the Dr. Wes Curry Awards, recognizing their dedication and contributions to the field. Don't miss the chance to connect, celebrate, and support the next generation of impactful leaders in emergency medicine!

Research Forum | October 5 - 7 | Various Times

Where: McCormick Place Convention Center | Level 3 | F1/F1A/F2/F2A

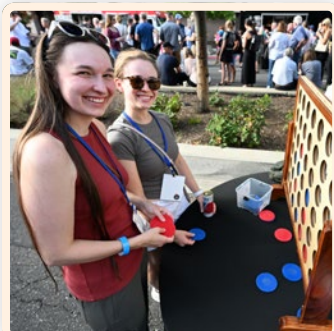

Explore the latest in emergency medicine research, connect with leading investigators, and discover insights that could shape the future of your practice. See what's next in EM at the Research Forum. [Schedule on page 16.](#)

ACEP26 After Party | October 7 | 5:00 - 7:00 pm

Where: McCormick Place Convention Center | Level 1 | Gate41

The ACEP After Party brings the city to you. Enjoy a live DJ, explore food stalls with Chicago classics, and grab your favorite drink. Move to the music under the lights or settle into the outdoor breeze. It is the ideal way to wrap up your ACEP26 experience. Sponsored by SCP Health.

ACEP26 Course Schedule

All events take place at McCormick Place Convention Center unless otherwise noted.

Subject to change. Check the ACEP Events mobile app for the latest updates.

MONDAY, OCT. 5

8:00 AM - 8:25 AM

Dead Tired: When Physician Fatigue Impacts Patient Safety

Level 1 | W185ABC

8:00 AM - 8:25 AM

Bradycardias: Moving Fast When Your Patient is Slow

Level 1 | W178AB

8:00 AM - 8:25 AM

It's Tearing Up My Heart! Pearls and Pitfalls in the Management of Aortic Dissection

Level 1 | W184ABCD

8:00 AM - 8:25 AM

Clear the Air: Conflict Management Skills for Every Level of Emergency Medicine

Level 1 | W181AB

8:00 AM - 8:45 AM

What the EM Physician Needs to Know about the Ebola Outbreak (Non-CME)

Level 1 | W179AB

8:00 AM - 8:50 AM

Super Strategies to Help Your ED Super Utilizers

Level 1 | W183BC

8:00 AM - 8:50 AM

POCUS AI: Today's Hype vs. Tomorrow's Reality

Level 1 | W180

8:00 AM - 9:50 AM

Transvenous Pacemaker Lab 1

Level 1 | W186ABC

8:00 AM - 9:50 AM

Procedural Ultrasound Lab 1

Level 1 | W187AB

8:30 AM - 8:55 AM

What Matters Most: Age-Friendly Care in the Emergency Department

Level 1 | W181AB

8:30 AM - 8:55 AM

Leading from the Middle: Becoming Part of the Solution in Emergency Medicine

Level 1 | W178AB

8:45 AM - 9:30 AM

escapED: An ED Trauma Escape Room (Group 1) Lab

Level 1 | W185D

9:00 AM - 10:30 AM

ACEP26 General Session: New Frontiers in Emergency Medicine, *Sponsored by US Army Medicine*

9:30 AM - 10:15 AM

escapED: An ED Trauma Escape Room (Group 2) Lab

Level 1 | W185D

12:30 PM - 12:55 PM

Navigating the ED Job Market: Evaluating Offers and Negotiating for Success

Level 1 | W181AB

12:30 PM - 12:55 PM

Different People, Different Presentation: ACS Disparities and Trends

Level 1 | W185ABC

12:30 PM - 1:15 PM

escapED: An ED Trauma Escape Room (Group 3) Lab

Level 1 | W185D

12:30 PM - 1:20 PM

Taming the Beast: Managing Cognitive Overload and Emotional Intelligence in the Chaos of the ED

Level 3 | W375B

12:30 PM - 1:20 PM

Ambient AI: Your Surroundings Are Listening

Level 1 | W178AB

12:30 PM - 1:20 PM

Oral Boards with ABEM

Level 3 | W375A

12:30 PM - 1:20 PM

The Crashing Toxicology Patient

Level 1 | W179AB

12:30 PM - 1:20 PM

Under Pressure: Modern Risk Stratification in Chest Pain

Level 1 | W183BC

12:30 PM - 1:20 PM

Puzzle the Pros: Airway Edition

Level 1 | W184ABCD

12:30 PM - 1:20 PM

Case-Based GU Emergencies

Level 1 | W180

12:30 PM - 1:25 PM

Frontline and Forgotten: Emergency Care in the OBBB Era (Non-CME)

Level 1 | W183A

12:30 PM - 2:20 PM

Procedural Ultrasound Lab 2

Level 1 | W187AB

12:30 PM - 2:20 PM

Transvenous Pacemaker Lab 2

Level 1 | W186ABC

1:00 PM - 1:25 PM

No Room for Error: Abdominal Pain in Pregnancy

Level 1 | W185ABC

1:00 PM - 1:25 PM

The Bottom Line: What You Need to Know Before Signing Your New Contract

Level 1 | W181AB

1:00 PM - 1:50 PM

Innovations in Women's Health from the 'Wild West' to Precision Medicine: What Every Emergency Physician Should Know

Research Forum Exhibit Hall Room 4

1:15 PM - 2:00 PM

escapED: An ED Trauma Escape Room (Group 4) Lab

Level 1 | W185D

1:30 PM - 4:45 PM

ACEP AI Academy | The EM Physician's AI Toolkit: A Practical Workshop (Non-CME) - Laptop Required

Level 1 | W183A

1:45 PM - 2:10 PM

From Rescue to Revival: Resuscitating Drownings

Level 1 | W181AB

1:45 PM - 2:10 PM

Bloody Hell: ENT on the Edge - Pearls, Pitfalls, and Power Moves in the ED

Level 1 | W178AB

1:45 PM - 2:35 PM

Board Busters: High Yield Review for ABEM Written Boards

Level 3 | W375A

1:45 PM - 2:35 PM

Game On! Skin in the Game: Dermatology Challenge

Level 1 | W183BC

1:45 PM - 2:35 PM

Past, Present, and Future: Management of Pediatric Fever in the Immunization Optional Era

Level 1 | W179AB

1:45 PM - 2:35 PM

Disjointed Exams Workshop: Preventing Bad Outcomes in Traumatic Joint Injuries

Level 1 | W180

1:45 PM - 2:35 PM

Old Diseases, New Challenges: Vaccine Lessons Revisited (James D. Mills Memorial Lecture)

Level 3 | W375B

1:45 PM - 2:35 PM

Literature Review: Infectious Disease

Level 1 | W185ABC

1:45 PM - 2:35 PM

EBM in PEM: The Best of the Best From the Experts

Level 1 | W184ABCD

2:00 PM - 2:45 PM

escapED: An ED Trauma Escape Room (Group 5) Lab

Level 1 | W185D

2:00 PM - 2:50 PM

Conducting High-Quality Retrospective Chart Reviews in Emergency Medicine

Research Forum Exhibit Hall Room 4

2:15 PM - 2:40 PM

Beyond the Algorithm: Rethinking ATLS in 2026

Level 1 | W178AB

2:15 PM - 2:40 PM

Emergency Indications for Hyperbaric Medicine: A Practical Approach

Level 1 | W181AB

3:00 PM - 3:50 PM

Is ESI Dead? Examining the Potential for AI to Transform Emergency Department Triage

Research Forum Exhibit Hall Room 4

3:30 PM - 4:15 PM

escapED: An ED Trauma Escape Room (Group 6) Lab

Level 1 | W185D

3:45 PM - 4:10 PM

Emergency Delivery: The Baby is on the Way!

Level 1 | W185ABC

MONDAY, OCT. 5**3:45 PM - 4:10 PM**

Eco-Leadership in the ED: Sustainable Practices for Lasting Impact

*Level 1 | W181AB***3:45 PM - 4:10 PM**

Debunk the Myths About Reimbursement

*Level 1 | W178AB***3:45 PM - 4:10 PM**

Code Cord: High-Stakes Pearls for Spinal Cord Injuries in the ED

*Level 3 | W375A***3:45 PM - 4:35 PM**

Clinical Pearls From the Recent Medical Literature 2026

*Level 3 | W375B***3:45 PM - 4:35 PM**

Tox at First Sight: A Visual Toxicology Workshop

*Level 1 | W180***3:45 PM - 4:35 PM**

Case-Based Controversies in Atrial Fibrillation

*Level 1 | W184ABCD***3:45 PM - 4:35 PM**

Mistakes in Pediatrics: High-Risk Decisions, Lifelong Impact

*Level 1 | W179AB***3:45 PM - 5:35 PM**

Procedural Ultrasound Lab 3

*Level 1 | W187AB***3:45 PM - 5:35 PM**

Transvenous Pacemaker Lab 3

*Level 1 | W186ABC***4:15 PM - 4:35 PM**

Rapid Ultrasound Diagnosis: The Right Ventricle - Your High-Risk Sibling in Shock

*Level 1 | W181AB***4:15 PM - 4:40 PM**

What's the Status on Status Epilepticus?

Bait and Switch: Navigating Diagnostic Surprises in Resuscitation

Level 3 | W375B

1:45 PM - 2:10 PM

Diagnostic Dilemma: Vulnerable Populations - Injury Patterns of Intimate Partner Violence (IPV) in Pediatrics, Pregnancy, and Geriatrics

Level 1 | W185ABC

TUESDAY, OCT. 6

1:45 PM - 2:35 PM

Game On! ECG Games

Level 1 | W183BC

1:50 PM - 2:00 PM

Drop the Mic: Wellness in Medicine Perspective (Non-CME)

Level 1 | W181C

2:00 PM - 2:50 PM

Research Funding 101: From Foundation to Federal
Research Forum Exhibit Hall Room 4

2:05 PM - 2:15 PM

Drop the Mic: The Fire Is Here: Rethinking the Pediatric Mental Health Crisis (Non-CME)

Level 1 | W181C

2:15 PM - 2:40 PM

Facts and Opinions: How to Refute Misinformation in Clinical Conversations

Level 1 | W181AB

2:15 PM - 2:40 PM

Beyond the Basics: Head CTs in the ED

Level 3 | W375A

2:15 PM - 2:40 PM

Hidden in Plain Sight: Adult Intimate Partner Violence, Coercive Control, and Human Trafficking in the Emergency Setting

Level 1 | W185ABC

2:20 PM - 2:30 PM

Drop the Mic: Joy (Non-CME)

Level 1 | W181C

2:35 PM - 2:45 PM

Drop the Mic: Skip the Drip: The Case for SubQ Insulin in DKA (Non-CME)

Level 1 | W181C

3:00 PM - 3:50 PM

The New Front Line: Delivering Reproductive Health in Emergency Departments Across Changing Legal Landscapes

Research Forum Exhibit Hall Room 4

3:10 PM - 3:20 PM

Drop the Mic: Improving Diagnostic Skills Through Renaissance Art Pieces (Non-CME)

Level 1 | W181C

3:25 PM - 3:35 PM

Drop the Mic: Playing with fire: How Physicians are Burning in Before They Burn Out (Non-CME)

Level 1 | W181C

3:40 PM - 3:50 PM

Drop the Mic: Baile Invidable: What Bad Bunny's Music Teaches Us about the Power of Social Medicine (Non-CME)

Level 1 | W181C

3:45 PM - 4:35 PM

Leadership at the Crossroads of Evidence and Public Trust (Colin C. Rorrie, Jr. Lecture)

Level 3 | W375B

3:45 PM - 4:35 PM

A Practical Framework for Evaluating AI Tools in Emergency Medicine (Non-CME)

Level 1 | W183A

3:45 PM - 4:35 PM

Resuscitative Ultrasonography (Prerequisite)

Level 1 | W181AB

3:45 PM - 5:35 PM

Advanced Airways Technique Lab 3

Level 1 | W186ABC

3:45 PM - 4:10 PM

Alcohol Use Disorder: Continuum of Care

Level 1 | W185ABC

3:45 PM - 4:35 PM

Sued but Still Standing: Resilience, Recovery, and Reclaiming Identity After Litigation

Level 1 | W179AB

3:45 PM - 4:35 PM

Peri and Postpartum Emergencies

Level 3 | W375A

3:45 PM - 5:35 PM

Mothers and Babies: Emergent Delivery and Pediatric Resuscitation Lab 3

Level 1 | W185D

3:45 PM - 4:10 PM

MedSpa Mayhem: Aesthetic Complications That May Present in Your ED

Level 1 | W178AB

3:45 PM - 5:35 PM

Ultrasound-Guided Regional Anesthesia Lab 3

Level 1 | W187AB

3:45 PM - 4:35 PM

Early Evidence on the Effectiveness of Artificial Intelligence Implementations in Emergency Departments

Level 1 | W180

3:45 PM - 4:35 PM

When Tubes Fail: Effective Hypoxia Rescue in the Emergency Department

Level 1 | W184ABCD

3:55 PM - 4:05 PM

Drop the Mic: Grab the Epi: Avoiding Fear in Anaphylaxis (Non-CME)

Level 1 | W181C

4:10 PM - 4:20 PM

Drop the Mic: I've Seen This Before... (Non-CME)

Level 1 | W181C

4:15 PM - 4:40 PM

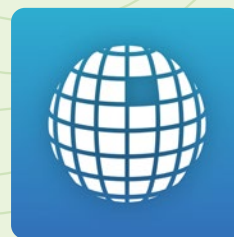

Intergenerational Conflict: Boomers, Gen X, Millennials, and Gen Z

Level 1 | W178AB

4:15 PM - 4:40 PM

Tales of a Wimpy Diaphragm: Caring for Acute Neuromuscular Respiratory Failure

Level 1 | W185ABC

details!

WEDNESDAY, OCT. 7

8:00 AM - 8:50 AM

Before the Canary Bakes: Preparing EDS for Climate-Driven Heat Emergencies

Level 1 | W180

8:00 AM - 8:25 AM

Corrosive Consequences: Caustic Injuries

Level 1 | W181AB

8:00 AM - 8:25 AM

Trauma in the Golden Years: Identifying and Managing Injuries in Older Adults

Level 1 | W178AB

8:00 AM - 8:50 AM

Are Your RVU Struggling: Top Strategies to Improve Reimbursement in EM

Level 1 | W183BC

8:00 AM - 8:50 AM

Malpractice Marathon: Navigating the Litigation Process (1 of 3)

Level 1 | W185ABC

8:00 AM - 8:25 AM

The Right Resuscitation for Right Heart Failure: Avoiding the Spiral of Death

Level 3 | W375A

8:00 AM - 8:50 AM

Diagnostic Dilemma: Abdominal Pain That Isn't

Level 3 | W375B

8:00 AM - 9:50 AM

Pediatric and Neonatal Critical Procedures Lab 1

Level 1 | W186ABC

8:00 AM - 8:50 AM

Should I Tube This? Evidence Based Pulmonary Interventions

Level 1 | W179AB

8:00 AM - 9:50 AM

Resuscitative Ultrasonography Lab 1

Level 1 | W187AB

8:00 AM - 8:50 AM

The Physiologically-Difficult Airway: Preventing an Inevitable Demise

Level 1 | W184ABCD

8:30 AM - 8:55 AM

Beyond the Basics: Demystifying Pediatric ECGs

Level 3 | W375A

8:30 AM - 8:55 AM

The Skinny of GLP-1s: Unwanted Side Effects

Level 1 | W183A

8:30 AM - 8:55 AM

Trauma as a Chronic Disease: Rethinking Exposure, Impact, and Healing

Level 1 | W178AB

8:30 AM - 8:55 AM

Handy Diagnoses and Treatments: Hands and Fingers

Level 1 | W181AB

8:45 AM - 9:30 AM

Game On! Professors vs. The Pit: EM Knowledge Showdown (Group 1) Lab

Level 1 | W185D

9:00 AM - 9:50 AM

Shock in the ED: It's Not All Sepsis and Lactates

Level 1 | W179AB

9:00 AM - 9:50 AM

Prescription for Change: The Latest Advances in Obesity Drugs

Level 1 | W184ABCD

9:00 AM - 9:50 AM

Timing is Everything: Reproductive Health Behind the White Coat (Leon L. Haley, Jr. Memorial Lecture)

Level 3 | W375B

9:00 AM - 9:50 AM

The Current State of the Emergency Medicine Workforce: An Input-Throughput-Output Framing

Level 1 | W180

9:00 AM - 9:25 AM

Pitfalls in Abdominal Imaging

Level 3 | W375A

9:00 AM - 9:50 AM

Drop the Mic Finale (Non-CME)

Level 1 | W183A

9:00 AM - 9:50 AM

Advocating and Negotiating for Yourself at Work: Case Scenarios

Level 1 | W183BC

9:00 AM - 9:25 AM

Beyond the Basics: Sickle Cell Treatment in the ED

Level 1 | W181AB

9:00 AM - 9:25 AM

Malpractice Marathon: Be the Star at Your Deposition or Trial (2 of 3)

Level 1 | W185ABC

9:00 AM - 9:25 AM

Beyond the Basics: Pus Pockets and Other Soft Tissue Infections

Level 1 | W178AB

9:30 AM - 9:55 AM

Malpractice Marathon: The End Game: Settlement, Judgement, and More (3 of 3)

Level 1 | W185ABC

9:30 AM - 9:55 AM

Diagnostic Dilemma: Gray Areas in Older Adults

Level 1 | W178AB

9:30 AM - 9:55 AM

Common Cancer Conundrums and Five "Can't-Miss" Oncologic Emergencies

Level 1 | W181AB

9:30 AM - 9:55 AM

Patient Experience Power Moves: Practical Skills You Can Use on Your Next Shift

Level 3 | W375A

9:45 AM - 10:15 AM

Game On! Professors vs. The Pit: EM Knowledge Showdown (Group 2) Lab

Level 1 | W185D

10:00 AM - 10:25 AM

Critical Conundrums in the First Month of Life

Level 3 | W375A

10:00 AM - 10:50 AM

Unequal By Design: Understanding and Eliminating Racial Bias in Diagnostic and Therapeutic Systems in Emergency Medicine

Level 1 | W180

10:00 AM - 10:25 AM

Neurocritical Care: Resuscitating the Brain

Level 1 | W181AB

10:00 AM - 10:50 AM

Game On! Eye Can See the Problem

Level 1 | W183BC

10:00 AM - 10:50 AM

Attending Unionizing in Emergency Medicine

Level 1 | W179AB

10:00 AM - 10:50 AM

Puzzle the Pro: Dueling ECG Cases

Level 3 | W375B

10:00 AM - 10:50 AM

River Therapy Movie (Non-CME)

Level 1 | W183A

10:00 AM - 10:50 AM

Post-ROSC Care: You Got a Pulse, What Now?

Level 1 | W178AB

10:00 AM - 10:50 AM

Write It Right: Charting to Avoid and Overcome Lawsuits

Level 1 | W185ABC

10:00 AM - 10:50 AM

Acid Base That Actually Matters: A Case-Based Approach

Level 1 | W184ABCD

10:30 AM - 10:55 AM

Literature Review: Trauma 2026

Level 1 | W181AB

10:30 AM - 10:55 AM

Trendy Toxicology: What's New in 2026?

Level 3 | W375A

12:00 PM - 12:50 PM

Beyond the Band-Aid: The Central Role of Emergency Medicine in HIV and HCV Prevention and Treatment

Research Forum Exhibit Hall Room 4

12:30 PM - 1:15 PM

Game On! Professors vs. The Pit: EM Knowledge Showdown (Group 3) Lab

Level 1 | W185D

12:30 PM - 2:20 PM

Pediatric and Neonatal Critical Procedures Lab 2

Level 1 | W186ABC

12:30 PM - 1:20 PM

Anatomically Difficult Airway: From Micrognathia to Morbid Obesity

Level 1 | W184ABCD

12:30 PM - 1:20 PM

Beyond the Basics: Stroke Care 2026

Level 1 | W183BC

12:30 PM - 1:20 PM

Fatal Imaging Myths That Will Change Your Practice

Level 1 | W179AB

12:30 PM - 12:55 PM

Liability Concerns and Controversies Working With Non-Physician Clinicians

Level 1 | W185ABC

12:30 PM - 12:55 PM

Beyond the Basics: Streamlined Approach to Diagnosis of Pulmonary Embolism

Level 3 | W375A

12:30 PM - 1:20 PM

Expert Witness Workshop: Protecting Yourself and Your Clients With Expert Testimony

Level 1 | W180

WEDNESDAY, OCT. 7

12:30 PM - 2:20 PM

Resuscitative Ultrasonography Lab 2

Level 1 | W187AB

12:30 PM - 12:55 PM

Beyond the Basics: Ischemia in Bundle Branch Blocks and LVH

Level 1 | W178AB

12:30 PM - 1:25 PM

Avoiding Becoming a Worse Doctor in the Age of AI (Non-CME)

Level 1 | W183A

12:30 PM - 1:20 PM

The ED Waiting Room Chair: Where Risk Begins (Nancy J. Auer Lecture)

Level 3 | W375B

12:30 PM - 12:55 PM

Defusion: Humanizing Our Roles Through Peer Support in Emergency Medicine

Level 1 | W181AB

1:00 PM - 1:25 PM

AI's Blind Spots: Navigating the Ethical Minefield of Algorithmic Medicine

Level 1 | W181AB

1:00 PM - 1:50 PM

Beyond Orbit: Translating Spaceflight Systems Engineering and Medicolegal Challenges to Emergency Medicine

Research Forum Exhibit Hall Room 4

1:00 PM - 1:25 PM

Twist and Shout: Reducing the Need for Shouting During Shoulder Reductions

Level 1 | W178AB

1:00 PM - 1:25 PM

Surviving the Clot: 2026 PE Guidelines

Level 1 | W185ABC

1:15 PM - 2:00 PM

Game On! Professors vs. The Pit: EM Knowledge Showdown (Group 4) Lab

Level 1 | W185D

1:30 PM - 1:55 PM

Electrolytes Gone Wrong

Level 1 | W181AB

1:30 PM - 2:20 PM

Bloody Hell: GI Bleed Management in the ED

Level 1 | W179AB

1:30 PM - 1:55 PM

Against Medical Advice: Navigating Refusal of Care (Non-CME)

Level 1 | W183A

1:30 PM - 1:55 PM

AI and Malpractice

Level 1 | W185ABC

1:30 PM - 2:20 PM

Literature Review: Top Articles in Critical Care

Level 3 | W375B

1:30 PM - 1:55 PM

Holding the Line Together: Allyship as a Core Skill in Emergency Medicine

Level 1 | W180

1:30 PM - 2:20 PM

Puzzle the Pro! New Cases from Perplexing Pediatric Patients

Level 1 | W184ABCD

1:30 PM - 1:55 PM

Dialysis Disasters: Resuscitating the ESRD Patient

Level 1 | W178AB

1:30 PM - 2:20 PM

Game On! Trauma and the Pan-Scan

Level 1 | W183BC

2:00 PM - 2:50 PM

EMTALA Is Our Friend—Really! Why EMTALA Is Good for Us and Our Patients

Level 1 | W185ABC

2:00 PM - 2:25 PM

The Fracturing Safety Net: How Funding Instability Is Reshaping Emergency Medicine

Level 1 | W181AB

2:00 PM - 2:25 PM

Negative C-Spine CT, Positive Problem: Ligaments, Discs, and Dissections

Level 1 | W178AB

2:00 PM - 2:45 PM

Game On! Professors vs. The Pit: EM Knowledge Showdown (Group 5) Lab

Level 1 | W185D

2:00 PM - 2:25 PM

Emergency Hematology: A Bloody Good Refresher!

Level 3 | W375A

2:00 PM - 2:50 PM

The Knee Workshop

Level 1 | W180

2:30 PM - 3:20 PM

The Crashing PE Patient

Level 1 | W184ABCD

2:30 PM - 4:20 PM

White Coat Investor Course (Non-CME)

Level 1 | W183BC

2:30 PM - 2:55 PM

Spinal Pathology: Striking the Right Cord With Your Diagnostic Skills

Level 3 | W375A

2:30 PM - 3:20 PM

Root Cause: The Moral Imperative and Economic Case for Social Emergency Medicine

Level 1 | W179AB

2:30 PM - 3:20 PM

Beyond the Basics: Decoding Pediatric Rashes

Level 3 | W375B

2:30 PM - 2:55 PM

Access Denied? Breaking Barriers for Patients and Clinicians With Disabilities in Emergency Medicine

Level 1 | W181AB

2:30 PM - 2:55 PM

Little Necks, Big Decisions: Evaluating the Pediatric C-Spine

Level 1 | W178AB

3:00 PM - 3:25 PM

"Controversial Lifelines: The Evolving Role of Resuscitative Drugs in Emergency Medicine"

Level 1 | W178AB

3:00 PM - 3:50 PM

Easy to Advocate! How to Become Fluent in Government Policy-Making at the State and National Level

Level 1 | W181AB

3:00 PM - 3:25 PM

Subtle Presentations of Devastating Neurologic Diseases

Level 3 | W375A

3:00 PM - 3:25 PM

Top 5 Legal Risks in Five Minutes or Less

Level 1 | W185ABC

3:00 PM - 4:50 PM

Running Into Disaster: Marathon MCI Triage and ICS Workshop

Level 1 | W180

3:30 PM - 3:55 PM

Feel the Flow: HFNC for Rapid Stabilization in the ED

Level 3 | W375A

3:30 PM - 4:20 PM

Annals of Emergency Medicine Celebration '26 (Non-CME)

Level 1 | W183A

3:30 PM - 4:20 PM

Can We Talk? An Open Dialogue About Physician Suicide

Level 1 | W184ABCD

3:30 PM - 4:20 PM

From Portland to DC: Managing Protest Injuries

Level 1 | W179AB

3:30 PM - 4:15 PM

Game On! Professors vs. The Pit: EM Knowledge Showdown (Group 6) Lab

Level 1 | W185D

3:30 PM - 3:55 PM

Diagnostic Dilemma: What to Do With the Febrile Immunocompromised Patient

Level 1 | W178AB

3:30 PM - 4:20 PM

Boarding Breakthroughs: Managing Patient Flow

Level 3 | W375B

3:45 PM - 5:35 PM

Resuscitative Ultrasonography Lab 3

Level 1 | W187AB

3:45 PM - 5:35 PM

Pediatric and Neonatal Critical Procedures Lab 3

Level 1 | W186ABC

4:00 PM - 4:25 PM

Signal Clear: Decoding EMS Cases and EMTALA Risk

Level 1 | W178AB

4:00 PM - 4:25 PM

Tiny Bones, Big Scares: Pediatric Fractures That Keep You Up at Night

Level 3 | W375A

4:15 PM - 5:00 PM

Game On! Professors vs. The Pit: EM Knowledge Showdown (Group 7) Lab

Level 1 | W185D

5:00 PM - 5:45 PM

Game On! Professors vs. The Pit: EM Knowledge Showdown (Group 8) Lab

Level 1 | W185D

THURSDAY, OCT. 8

8:00 AM - 8:50 AM

Diagnostic Dilemma: Accidental vs. Nonaccidental Trauma X-Ray Findings

Level 3 | W375A

8:00 AM - 8:25 AM

Not-So-Tropical Diseases: What's Emerging in the U.S. in 2026

Level 1 | W181AB

8:00 AM - 8:50 AM

Diagnostic Dilemma: High-Risk Headache

Level 3 | W375B

8:00 AM - 8:50 AM

Transplant Emergencies: Borrowed Time on Borrowed Organs

Level 1 | W184ABCD

8:00 AM - 8:25 AM

Rethinking PEA: Is it Time We DNR the H's and T's?

Level 1 | W185ABC

8:00 AM - 8:25 AM

Autism in the Adult ED: Artistic Pearls for the Autistic Patient! (Non-CME)

Level 1 | W183A

8:00 AM - 9:50 AM

Rural EM Bootcamp: Take Your Tertiary Care Skills, Add Transfers, Cancel the Consults, and Crush Your First Rural Shift

Level 1 | W180

8:00 AM - 8:50 AM

Avoiding Pediatric Airway Panic: Advanced Pediatric Airway Management

Level 1 | W178AB

8:00 AM - 8:50 AM

Managing Non-Physician Practitioners: Integration and Supervision in Your Practice

Level 1 | W183BC

8:00 AM - 8:50 AM

Low Flow, High Stakes: Cardiogenic Shock

Level 1 | W179AB

8:30 AM - 8:55 AM

Beyond the Basics: Pediatric Cardiac POCUS

Level 1 | W185ABC

8:30 AM - 8:55 AM

Keeping a Close Eye on Ocular Emergencies

Level 1 | W181AB

9:00 AM - 9:50 AM

More Than Skin Deep: Race as a Social Determinant of Health

Level 1 | W183BC

9:00 AM - 9:50 AM

The Rapid and High-Yield Neuro Exam

Level 3 | W375B

9:00 AM - 9:25 AM

Diagnostic Dilemma: Dyspnea

Level 1 | W181AB

9:00 AM - 9:25 AM

A Fighting Chance for the Fulminant Liver: Management Pearls for Acute Liver Failure

Level 1 | W185ABC

9:00 AM - 9:50 AM

Deadly Errors in Critically Ill Pregnant Patients

Level 1 | W179AB

9:00 AM - 9:25 AM

Documentation Pitfalls: Lessons for Common Presentations (Non-CME)

Level 1 | W183A

9:00 AM - 9:50 AM

How to Deliver a Killer Talk

Level 1 | W178AB

9:00 AM - 9:25 AM

Non-Clinical Uses of Emergency Medicine Training: How and When to Pivot

Level 3 | W375A

9:00 AM - 9:50 AM

Pearls for Procedural Sedation

Level 1 | W184ABCD

9:30 AM - 9:55 AM

All You Can Treat Ribs: Preventing Bad Outcomes in "Mild" Blunt Thoracic Trauma

Level 1 | W181AB

9:30 AM - 9:55 AM

Trach Tips: Navigating Tracheostomy Emergencies with Confidence

Level 3 | W375A

9:30 AM - 9:55 AM

The Crashing Oncology Patient: Beyond Zosyn, Vancomycin, and Fluids

Level 1 | W185ABC

10:00 AM - 10:25 AM

Catheters, Shunts, Drains, Oh My!: Emergent Complications

Level 3 | W375A

10:00 AM - 10:25 AM

Barred from Entry: Incarceration Health and the Cost of Neglect

Level 1 | W181AB

10:00 AM - 10:50 AM

Risky Business: The Hidden Hazards of Overtesting in the ED

Level 1 | W179AB

10:00 AM - 10:25 AM

Between Care and Custody: Emergency Medicine at the Front Lines of Immigration Policy

Level 1 | W185ABC

10:00 AM - 10:50 AM

Beyond the Bullet: Unpacking the Impact of Gun Violence on the Practice of EM

Level 1 | W183BC

10:00 AM - 10:50 AM

Reproductive Health in the ED: Ectopic, Miscarriage & Emergency Care When Access Collapses

Level 1 | W178AB

10:00 AM - 10:50 AM

Needle in the Haystack: Prioritization in Physician Triage

Level 1 | W184ABCD

10:30 AM - 10:55 AM

Medicine and the Law

Level 1 | W185ABC

10:30 AM - 10:55 AM

Medicine Without Borders: Health Care Advocacy in Detention Centers

Level 1 | W181AB

10:30 AM - 10:55 AM

Sending Home Traumatic ICH From the ED: New Standard or Tomfoolery?

Level 3 | W375A

11:00 AM - 11:25 AM

Diagnostic Dilemma: Syncope and Near Syncope

Level 3 | W375A

11:00 AM - 11:25 AM

Beyond the Basics: Advanced Cardiac Ultrasound in the ED

Level 1 | W185ABC

11:00 AM - 11:25 AM

Locums: Opportunity or Illusion?

Level 1 | W181AB

11:00 AM - 11:25 AM

Beyond the Basics: HEENT Anesthesia and Nerve Blocks

Level 1 | W178AB

11:00 AM - 11:50 AM

Diagnostic Dilemma: The Swollen, Red Joint

Level 1 | W184ABCD

11:00 AM - 11:50 AM

The First 60 Minutes: Initial Management of the Critically Ill Infant

Level 1 | W183BC

11:30 AM - 11:55 AM

Foot and Ankle Fractures Made Easy

Level 1 | W178AB

11:30 AM - 11:55 AM

So Now You're the Medical Director: What Next??

Level 1 | W181AB

12:00 PM - 12:25 PM

Beyond the Basics: Acute Trauma Care

Level 1 | W178AB

12:30 PM - 12:55 PM

Anticoagulation Reversal: Part of the ABCs of Resuscitation

Level 1 | W178AB

ACEP Anytime

ALL THE EDUCATION YOU NEED.
ALL IN ONE PLACE.

Sections Meeting Schedule

All events take place at McCormick Place Convention Center unless otherwise noted.

Subject to change. Check the ACEP Events mobile app for the latest updates.

MONDAY, OCT. 5

11:00 AM - 1:00 PM

Cruise Ship Medicine Section Meeting
Level 1 | W195

11:00 AM - 1:00 PM

Early Career Physicians Section Meeting
Level 1 | W196C

11:30 AM - 1:00 PM

EMS-Prehospital Care Section Meeting
Level 1 | W194A

1:00 PM - 2:00 PM

Emergency Medicine Workforce Section
Level 1 | W190AB

1:00 PM - 2:30 PM

Forensic Medicine Section Meeting
Level 1 | W196B

1:00 PM - 2:30 PM

Professional Wellness Section Meeting
Level 1 | W192B

1:30 PM - 3:00 PM

Event Medicine Section Meeting
Level 1 | W196C

1:30 PM - 3:30 PM

Pain Management and Addiction Medicine Section Meeting
Level 1 | W194A

2:00 PM - 4:00 PM

American Association for Women Emergency Physicians (AAWEP) Section Meeting
Level 1 | W195

2:30 PM - 5:00 PM

Emergency Ultrasound Section Meeting
Level 1 | W190AB

3:00 PM - 5:00 PM

Locum Tenens Section Meeting
Level 1 | W196B

3:00 PM - 5:00 PM

Palliative Medicine Section Meeting
Level 1 | W192B

3:30 PM - 5:30 PM

Medical Directors Section Meeting
Level 1 | W196C

4:00 PM - 5:00 PM

Air Medical Transport Section Meeting
Level 1 | W194A

4:00 PM - 6:00 PM

AMA Section Council Meeting
Level 1 | W192C

4:30 PM - 5:00 PM

Emergency Ultrasound Section Meeting - Breakout
Level 1 | W195

TUESDAY, OCT. 6

7:00 AM - 9:00 AM

Dual Training Section
Level 1 | W194A

9:00 AM - 12:00 PM

Access, Belonging & Community Section Meeting
Marriott Marquis | Level 3 | Glessner House ABC

9:30 AM - 12:00 PM

Exploring Retirement Section Meeting
Level 1 | W194A

10:00 AM - 11:00 AM

Emergency Medicine Informatics [EMI] Section Meeting
Level 1 | W196C

10:00 AM - 11:00 AM

Freestanding Emergency Centers Section Meeting
Level 1 | W192B

10:30 AM - 11:30 AM

Medical Humanities Section Meeting
Level 1 | W192A

12:00 PM - 2:00 PM

Emergency Medicine Practice Management & Health Policy Section Meeting
Level 1 | W196C

12:30 PM - 2:00 PM

Geriatric Emergency Medicine Section Meeting
Level 1 | W190AB

12:30 PM - 2:00 PM

Rural Emergency Medicine Section Meeting
Level 1 | W194A

1:00 PM - 2:00 PM

Reproductive Health Section
Level 1 | W195

1:00 PM - 2:00 PM

Research, Scholarly Activity & Innovation Section Meeting
Level 1 | W196A

2:30 PM - 6:30 PM

Critical Care Medicine Section Meeting
Level 1 | W190AB

2:30 PM - 4:30 PM

Quality Improvement & Patient Safety [QIPS] Section Meeting
Level 1 | W194A

2:30 PM - 5:30 PM

Wilderness Medicine Section Meeting
Level 1 | W195

3:00 PM - 5:00 PM

Pediatric Emergency Medicine Section Meeting
Level 1 | W196B

3:00 PM - 4:30 PM

Sports Medicine Section Meeting
Level 1 | W196C

4:00 PM - 6:00 PM

Social Emergency Medicine Section Meeting
Level 1 | W192C

4:00 PM - 6:00 PM

Undersea & Hyperbaric Medicine Section Meeting
Level 1 | W192A

WEDNESDAY, OCT. 7

9:30 AM 10:30 AM

Careers in Emergency Medicine Section Meeting
Level 1 | W195

9:30 AM 11:00 AM

Emergency Telehealth Section Meeting
Level 1 | W194A

10:00 AM 12:00 PM

Tactical and Law Enforcement Medicine Section Meeting
Level 1 | W194B

10:30 AM 12:30 PM

Toxicology Section Meeting
Level 1 | W196B

11:30 AM 1:00 PM

Democratic Group Practice Section Meeting
Level 1 | W194A

1:00 PM 2:30 PM

Disaster Medicine Section Meeting
Level 1 | W196B

1:30 PM 3:30 PM

Trauma & Injury Prevention Section Meeting
Level 1 | W192B

Committee Meeting Schedule

All meetings take place at McCormick Place Convention Center unless otherwise noted.

Subject to change. Check the ACEP Events mobile app for the latest updates.

MONDAY, OCT. 5

8:00 AM - 6:00 PM

CORD Committee Meetings

Marriott Marquis | Level 3 | Henry Clarke

11:00 AM - 1:00 PM

Coding & Nomenclature Advisory Committee Meeting

Level 1 | W196A

11:15 AM - 1:00 PM

State Legislative / Regulatory Committee Meeting

Level 1 | W194B

2:00 PM - 4:00 PM

Reimbursement Committee Meeting

Level 1 | W196A

2:00 PM - 3:00 PM

Access, Belonging & Community Committee Meeting

Level 4 | W475B

3:00 PM - 4:00 PM

International Emergency Medicine Committee Meeting

Level 1 | W194B

1:00 PM - 3:00 PM

Quality Measures Development Committee Meeting

Level 1 | W192C

[Click here or scan the QR code to download the ACEP Events mobile app for up-to-date details!](#)

TUESDAY, OCT. 6

8:00 AM - 9:00 AM

Communications Committee Meeting

Level 1 | W192B

8:00 AM - 9:30 AM

Emergency Medical Services (EMS) Committee Meeting

Level 1 | W196B

8:00 AM - 10:00 AM

Health Innovation Technology Committee Meeting

Level 1 | W192A

8:00 AM - 6:00 PM

CORD Committee Meetings

Marriott Marquis | Level 4 | Northerly Island

9:00 AM - 11:00 AM

Academic Affairs Committee Meeting

Level 1 | W196A

9:00 AM - 12:00 PM

Finance Committee Meeting

Level 1 | W194B

9:00 AM - 11:00 AM

Pediatric Emergency Medicine Committee Meeting

Level 1 | W195

12:00 PM - 3:00 PM

Ethics Committee Meeting

Level 1 | W192C

12:30 PM - 2:30 PM

Public Health Committee Meeting

Level 1 | W194B

1:00 PM - 2:30 PM

Disaster Medicine Committee Meeting

Level 1 | W196B

1:30 PM - 3:30 PM

Medical-Legal Committee Meeting

Level 1 | W192A

2:30 PM - 3:30 PM

Membership Committee Meeting

Level 1 | W192B

3:30 PM - 5:30 PM

Research Committee & Scientific Review

Subcommittee Meeting

Level 1 | W196A

4:00 PM - 6:00 PM

Federal Government Affairs (FGA) Committee Meeting

Level 1 | W192B

11:30 AM - 12:30 PM

National/Chapter Relations Committee Meeting

Level 1 | W192B

12:00 PM - 1:00 PM

Emergency Medicine Practice Committee

Level 1 | W192A

9:30 AM - 11:30 AM

Bylaws Committee Meeting

Level 1 | W192C

WEDNESDAY, OCT. 7

7:30 AM - 9:00 AM

Exhibit Advisory Committee Meeting

Marriott Marquis | Level 3 | George Pullman

8:00 AM - 2:00 PM

Emergency Ultrasound Subcommittees Meeting

Level 1 | W196A

9:00 AM - 10:30 AM

Education Committee Meeting

Level 1 | W192B

THURSDAY, OCT. 8

10:00 AM - 12:00 PM

Scientific Assembly Planning Subcommittee Meeting

Level 1 | W192B

ACEP26 News Alerts Your Nightly On-Demand Conference News Report

LISTEN ANYTIME, ON DEMAND

after 6 PM CT nightly from Oct. 4 - 8

EMRA Schedule of Events

Subject to change. Check the ACEP Events mobile app for the latest updates.

SATURDAY, OCT. 3

5:00 PM - 6:00 PM

EMRA Medical Student Council Meeting

MPCC | Level 1 | W175A

SUNDAY, OCT. 4

9:00 AM - 12:00 PM

EMRA Fall Medical Student Forum

MPCC | Level 1 | W175-W178

3:00 PM - 5:00 PM

EMRA Residency Program Fair

MPCC | Level 3 | Hall F2

7:00 PM - 9:00 PM

EMRA Leader Meet-up

POPS for Champagne

MONDAY, OCT. 5

10:45 AM - 11:25 AM

EMRA Resident Forum: Amal Mattu | The Journey of a Thousand Miles

MPCC | Level 1 | W175ABC

11:25 AM - 12:05 PM

EMRA Resident Forum: Jordan Celeste | Financial Health: What I Wish I Knew

MPCC | Level 1 | W175ABC

12:05 PM - 12:45 PM

EMRA Resident Forum: Dr. Rubeliz Bolivar | How Advocacy Melted ICE

MPCC | Level 1 | W175ABC

1:00 PM - 4:00 PM

Got the Nerve: Ultrasound-Guided Regional Anesthesia Workshop

Marriott Marquis | Level 4 | Grand Horizon C

1:00 PM - 5:00 PM

EMRA Case-con Medical Student and Resident Case Study Contest

Marriott Marquis | Level 4 | Grand Horizon A

2:30 PM - 4:00 PM

EMRA and EM:RAP Present INVICTUS Board Wars

MPCC | Level 1 | W175ABC

5:30 PM - 7:30 PM

EMRA Job & Fellowship Fair

MPCC | Level 3 | Hall F2

TUESDAY, OCT. 6

7:00 AM - 8:00 AM

EMRA Representative Council Breakfast & Candidate's Forum

Marriott Marquis | Level 3 | Glessner House ABC

7:00 AM - 8:00 AM

EMRA Representative Council Credentialing

Marriott Marquis | Level 4 | Grand Horizon AB Foyer

8:00 AM - 12:00 PM

EMRA Representative Council Fall Meeting

Marriott Marquis | Level 4 | Grand Horizon AB

8:00 AM - 6:00 PM

EMRA Hangout: Program Director Interviews

MPCC | Level 1 | W176

9:00 AM - 3:00 PM

EMRA Resident SimWars Competition

MPCC | Level 1 | W175ABC

1:00 PM - 3:00 PM

EMRA Leadership Academy Keynote & Graduation

Marriott Marquis | Level 4 | Grand Horizon AB

2:30 PM - 4:30 PM

20 in 6 Resident Lecture Competition

MPCC | Level 4 | W475AB

6:30 PM - 8:30 PM

Airway After Dark

TBD

10:00 PM - 2:00 AM

EMRA Party

Sound-Bar | 226 W. Ontario St

WEDNESDAY, OCT. 7

12:00 PM - 4:00 PM

EMRA Master the Disaster

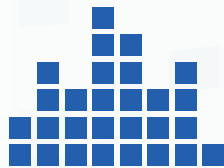

MPCC | Level 1 | W175ABC

THURSDAY, OCT. 8

8:00 AM - 5:00 PM

EMRA MedWAR

Palos Park Woods North at Forest Preserves of Cook County

ACEP Research Forum Schedule

MONDAY, OCT. 5

8:00 AM

RF1 ABDOMINAL, GASTROINTESTINAL, GENITOURINARY & GYNECOLOGIC | ROOM 1

- #5 Incidence, Predictors, and Outcomes of Acute Mesenteric Ischemia in U.S. Emergency Departments
- #6 Computed Tomography Angiography for Gastrointestinal Bleeding: Yield and Subsequent Angiography
- #8 Machine Learning With Thromboelastography to Predict Intervention in Upper Gastrointestinal Bleeding
- #9 Hemostatic Biology Beyond Trauma: Thromboelastography in Acute Gastrointestinal Bleeding

RF2 ADMINISTRATION & OPERATIONS | ROOM 2

- #11 Reducing LWBS in a High-Volume, Safety-Net US Emergency Department
- #12 Emergency Department Throughput Outliers: A Conditions-Adjusted Capacity Model
- #13 Graph Neural Networks for Early Prediction of Emergency Department Bottlenecks Using Real-Time Location Data
- #14 National Trends in Emergency Department Patients Leaving Without Being Seen or Before Treatment Completion
- #15 Boarded and Leaving: How Hospital Crowding Drives Patient Walkouts
- #16 Impact of ED-Performed Trauma Tertiary Exams on Patient Length of Stay
- #17 Development of a Hallway Utilization Index to Evaluate Emergency Department Response to Crowding

RF3 ADMINISTRATION & OPERATIONS | ROOM 3

- #18 Physician Productivity And Experience: Do We Truly Get Better With Age?
- #19 Emergency Department Patient Experience During a Nursing Strike: A Multi-Site Analysis
- #20 Physician Assistant and Nurse Practitioner Utilization in Rural Emergency Departments, 2013 to 2022
- #21 Staffing Threshold Modeling for Stable Emergency Department CT Workflow Operations
- #22 Shift Happens: Consensus and Variability in Scheduling Practices Among High-Volume and Top-Ranked Academic Emergency Departments
- #23 Operational Impact of the 2026 Nursing Strike on Emergency Department Function Across Three Urban EDs
- #24 The ED Regional Anesthesia Cart: Zero-Cost Solution for Acute Pain Blocks
- #25 Association of Peripheral Nerve Blocks, Opioid Requirements, and Fracture Location With Delirium in Acute Hip and Femur Fractures

- #26 Cryoneurolysis for Acute Rib Fracture Analgesia: An Emergency Department Case Series

- #27 Effectiveness and Safety of Ultrasound-Guided Regional Anesthesia by Resident Versus Attending Physicians in the Emergency Department
- #28 Efficacy and Safety of Fixed Dose Combinations of Acetaminophen and Naproxen Sodium in Post-surgical Dental Pain
- #29 Pre-Block Opioid Exposure Is Associated with Shorter Fascia Iliaca Block Analgesia in Hip Fracture
- #30 Genicular Nerve Block for Emergency Department Knee Pain: A Retrospective Cohort Study

RF4 ANESTHESIA, PAIN MANAGEMENT & SEDATION | ROOM 4

- #24 The ED Regional Anesthesia Cart: Zero-Cost Solution for Acute Pain Blocks
- #25 Association of Peripheral Nerve Blocks, Opioid Requirements, and Fracture Location With Delirium in Acute Hip and Femur Fractures
- #26 Cryoneurolysis for Acute Rib Fracture Analgesia: An Emergency Department Case Series

- #27 Effectiveness and Safety of Ultrasound-Guided Regional Anesthesia by Resident Versus Attending Physicians in the Emergency Department
- #28 Efficacy and Safety of Fixed Dose Combinations of Acetaminophen and Naproxen Sodium in Post-surgical Dental Pain
- #29 Pre-Block Opioid Exposure Is Associated with Shorter Fascia Iliaca Block Analgesia in Hip Fracture
- #30 Genicular Nerve Block for Emergency Department Knee Pain: A Retrospective Cohort Study

POSTER 1 | POSTER HALL

- #467 First Attempt, Many Definitions: Is there Consensus on Defining Intubation Success Between Emergency Physicians?
- #468 A Performance Improvement Initiative to Optimize Appropriate ED Utilization of MRI
- #469 Cardiovascular and Neurologic Outcomes After Sleeve Gastrectomy vs. Roux-en-Y Gastric Bypass: A Propensity Matched National Cohort Study
- #470 Factors Related to a Delayed In-hospital Diagnosis of Acute Cholecystitis: A Two-Center study
- #471 Geneva Variant of Pulmonary Embolism Graded d-Dimer (PEGeD) Demonstrates Insufficient Sensitivity
- #472 End-Tidal Oxygen During Emergency Department Preoxygenation: Feasibility and Association With Desaturation
- #473 This Is The Way: Delayed Sequence Intubation and Pediatric First-Pass Success
- #474 Cost Savings from Ingestible Capsule Blood Detection for Low-Risk Upper Gastrointestinal Bleeding
- #475 Trends and Disparities in Intestinal Perforation and Sepsis-Related Mortality in the United States
- #476 Trends and Disparities in COPD and GI Hemorrhage-Related Mortality in the United States
- #578 Implementation of Dedicated Emergency Department CT Scanner Associated with Improvement in Door-to-Needle Times: A 3-Year Quality Improvement Analysis

11:00 AM

RF5 AIRWAY | ROOM 1

- #31 Comparative Risk of Post-Traumatic Stress Disorder After Emergency Rapid Sequence Intubation with Etomidate vs. Ketamine: A Propensity Matched Study
- #32 Mechanical vs. Manual Ventilation During Cardiopulmonary Resuscitation In Cardiac Arrest: A Bayesian Meta-analysis
- #33 Prognostic Factors for Peri- and Post-Intubation Hypotension: A Systematic Review and Meta-Analysis
- #253 Emergency Ultrasound Detectability of Acute Aortic Dissection: A 20-Year CTA Study
- #263 Impact of Attending Optimizer Program on Ambulance Patient Offload Times

RF6 CARDIOVASCULAR | ROOM 2

- #34 External Validation of the FAINTE Score in the Emergency Department: A Prospective, Multicenter, Cohort Study
- #36 Complete Heart Block in U.S. Emergency Departments: Trends in Incidence, Mortality, and Charges
- #38 Diagnostic Yield and Time to Arrhythmia Detection in Emergency Department-Initiated 14-Day Ambulatory ECG Monitoring: A Nationwide Real-World Analysis
- #39 Atrial Tachycardia Reduction with Intravenous Use of Magnesium: An Interim Analysis of ATRIUM

RF7 CARDIOVASCULAR | ROOM 3

- #40 EMS Interventions to Reduce Prehospital STEMI Time Intervals
- #41 Federated vs. Centralized Machine Learning Comparisons for Identifying Low-risk ED Chest Pain Patient
- #42 Structured ED CCTA Protocol with AI-QCT Analysis for Intermediate-Risk Chest Pain: Real-World Implementation and Turnaround Time Optimization

- #43 Short-term Glycemic Control and 30-day Cardiac Events in Patients with Diabetes and Chest Pain
- #44 Reversibility of Heat and Shear-Induced Endothelial Barrier Dysfunction
- #45 Aspirin vs. Dual Antiplatelet Therapy in ED Patients with Acute MI: A National Perspective

RF8 CRITICAL CARE | ROOM 4

- #46 Transesophageal Echocardiography in Cardiopulmonary Resuscitation: A Systematic Review and Meta-analysis
- #47 Initiation of Venovenous Extracorporeal Membrane Oxygenation in the Emergency Department: A Pilot Investigation
- #48 Clinical Outcomes of Tenecteplase in Stroke Mimics and Ischemic Stroke: A Retrospective Multi-Center Analysis
- #49 Clinical Predictors of Refractory Anaphylaxis in Emergency Department Patients
- #50 Mortality and Cardiopulmonary Outcomes in Drowning-Associated Acute Respiratory Distress Syndrome
- #51 Correlation of Right Ventricular Saline Bubble Time with Invasive Hemodynamic Parameters in Patients with Cardiogenic Shock

POSTER 2 | POSTER HALL

- #477 Impact of Boarding Time Definitions on Boarding Hours
- #478 External Validation of the Discharge Severity Index and Derivation of a Simplified Clinical Bedside Score: A Multi-Center Retrospective Study
- #479 The Impact of the Emergency Department Command Control Centre's Alerting System on Patient Flow
- #480 Effect of Point-of-Care Breath Alcohol Testing on Turnaround Time and Cost in ED Behavioral Health Encounters
- #481 Clinical Characteristics and Risk of Admission in Emergency Department Patients Awaiting Placement
- #482 Civil Monetary Penalties from EMTALA Violations Involving EMS-Transported Patients Turned Away by EDs
- #483 Comprehensive Emergency Department Redesign Improves Length of Stay and Patient Experience in a High-Volume Occupational Emergency Department in Chile
- #484 Assessing Emergency Medicine-Hospital Medicine Integration: Development of an Operational Maturity Framework and Integration Index
- #485 Implementation of Attending:Resident Dyad in Split-Flow Model Improves Low Acuity Patient Throughput
- #486 ED WAVE Protocol: A Structured Framework for Willful, Abusive, Violent, Disruptive Encounters

12:00 PM

RF9 EDUCATION | ROOM 1

- #52 Initial Validation of a Multimodal AI-Based Assessment Platform in Emergency Medicine Simulation
- #53 Evaluation of Artificial Intelligence Ultrasound Technology in Teaching Medical Students Point-of-Care Cardiac Ultrasound
- #54 A Simulation-Based Telemedicine Curriculum for Emergency Medicine Residents
- #56 Development and Implementation of a Simulation-Based Heat Exhaustion Assessment for Medical Students
- #57 Effect of Virtual Reality-Based Triage Training on Clinical Competence, Knowledge, and Self-Efficacy: A Randomized Controlled Study
- #58 AI-Assisted vs. Instructor-Guided Simulation-Based Mastery Learning for Videolaryngoscopy: A Randomized Mixed-Methods Trial

RF10 EDUCATION | ROOM 2

- #59 Resident Education on Sexual Assault Exams and Working with Sexual Assault Nurse Examiners
- #60 Integrating SAFE (Sexual Assault Forensic Examiner) Training into the Medical Education Curriculum

#61 A Novel Interdisciplinary Practice Pages Curriculum to Improve Communication and Psychological Safety for Fourth-Year Medical Students

#62 Bridging the Gap: Integrating Clinical Emergency Medicine with a Student-run Research Program in Chile

#63 Correlation Among Emergency Medicine Clerkship Domain Scores and NBME National Board of Medical Examiners Shelf Performances

#64 RECAP: Revamping of Clinical Assessment Practices - Utilizing Structured Direct Observation Tools to Generate Feedback and SLOE Data

#65 When Context Becomes a Shortcut: Bias Signals in Step 2 CMS Question Design

RF11 EMS & DISASTER | ROOM 3

#66 Helicopter Emergency Medical Service Intubation Training Timing Evaluation

#67 Bridging the Gap: Results from a Military-to-Civilian Patient Handoff Exercise at Joint Base Andrews

#68 Grounded Evidence: Rethinking Helicopter Use for Stable Trauma Transfers

#69 Applier Type and Appropriateness of Prehospital Tourniquet Use in a Regional Trauma Network

#70 Should Tourniquets Equal Trauma Alerts? A Review of Tourniquet Use as Criteria for Prehospital Trauma Alert

#386 The Disability Training Gap: Quantifying the Desire for Targeted Education in Prehospital Care

RF12 END OF LIFE CARE | ROOM 4

#71 Cultural Adaptation and Implementation of a U.S. End-of-Life Care Training Program for Emergency Medicine in Japan

#72 Patient Acceptability of a Digital Shared Decision-Making Platform for Code Status Discussions in the Emergency Department: A Qualitative Study

#73 Benchmarking Workflow Timing of Emergency Department Initiated Hospice and Palliative Consultations

#74 Self-Perceived Palliative Care Skills in Emergency Medicine Residents: Clinical Experience and Well-Being

#75 Emergency Medical Services and End-of-Life Care: A Survey Evaluating Comfort with Hospice Patient Encounters

#76 Pooled Open Source Large Language Models for Detecting Emergency Department Goals of Care Discussions

POSTER 3 | POSTER HALL

#487 Evaluation of Native AI for Aerospace Applications Using the Objective Structured Clinical Examination

#488 No Narcotics Needed: Ultrasound-Guided Fascia Iliaca Compartment Block for Hip Fracture Analgesia in the Emergency Department

#489 Ultrasound-Guided Fascia Iliaca Block Training Using a Novel Ballistic Gel Phantom: Confidence and Attitudes Among Emergency Medicine Learners

#490 Influence of Music on Patient and Provider Experience During Emergency Department Procedural Sedation

#491 Interdisciplinary Simulation Improves Resident Confidence and Teamwork for Obstetric Emergencies

#492 The Production, Assessment, and Utility of a 3D-Printed Surgical Airway Trainer: A Low-Cost, High-Fidelity Alternative to Conventional Trainers

#493 Effectiveness of Ultrasound-Guided Regional Anesthesia on Patients with Forearm Fracture in the Emergency Department

#494 Demographic Factors Associated with Hip Fracture Analgesia in the Emergency Department

#495 From Pork to Practice: Development and Evaluation of a Low-Cost Tissue Phantom for Ultrasound-Guided Nerve Block Training

#496 Perceived Educational Equivalence of a Low-Cost Lateral Canthotomy Trainer

1:00 PM

RF13 EMS & DISASTER | ROOM 1

#77 Discrepancies in Last Known Normal Between Prehospital/Initial Assessment and Stroke Neurologist Evaluation in EMS-Activated Stroke Codes

#78 Agreement Between Large Language Models and Emergency Physicians in EMS Medical Command Orders

#79 Impact of Intracerebral Hemorrhage Recognition and Hyperacute Blood Pressure-Lowering in the Prehospital Setting in a Large Metropolitan Area

#80 Early Stroke Care Begins in the Field: A Pilot Study of EMS Initiated Stroke Activation

#81 A Comparison of Push-Dose Epinephrine versus Epinephrine Infusion for the Prehospital Management of Shock

RF14 FRAILITY & FALLS | ROOM 2

#82 Assessment and Management of Falls in Older Adults in the Emergency Department: Adherence to Clinical Practice Guidelines

#83 Beyond In-ED Safety: Leveraging the KINDER 1 Fall Risk Assessment Tool to Predict 90-Day Fall-Related Return Visits

#84 Is Social Frailty an Independent Risk Factor for 30-Day Mortality in Older Emergency Department Patients? A Prospective Cohort Study

#85 Association Between Frailty Status and Emergency Department Revisit, Hospitalization, and Mortality in Older Adults

#86 Functional Limitation and Subsequent Emergency Department Use, Hospitalization, and Healthcare Costs Among Older Adults

#87 Physical Resilience Testing in Older Patients Seen for a Fall in the Emergency Department: Initial Results

RF15 GERIATRICS | ROOM 3

#88 A Randomized Controlled Trial Evaluating the Impact of Geriatric Emergency Department Innovations on Hospitalization, Costs, and Health Utility

#89 Current Approaches to Emergency Care for Patients Living with Dementia: Qualitative Insights from an Interdisciplinary Team

#90 Low Diagnostic Yield Following Elder Mistreatment Screening in Emergency Departments

#91 Penn State Emergency Medicine CarES: The Relationship between Dementia Care-Partner Stress and Return Visits to the Emergency Department

#92 Outcomes Associated with an Emergency Department to Outpatient Geriatric Referral and Care Coordination Process: Tracking Geriatric Referrals

#93 Implementing Paramedic-led ED-to-Home Transitions for Patients with Dementia: Barriers and Facilitators

POSTER 4 | POSTER HALL

#497 Use of D-dimer in Patients With High Clinical Probability of Pulmonary Embolism

#498 Age-Related Differences in 30-Day Outcomes Following Emergency Department Discharge for Hypertension

#499 EMF Feasibility Findings From COMFORT-ED: A Pilot Randomized Trial of Adenosine vs. Diltiazem for SVT

#500 National Trends in STEMI Presentations, Rising Healthcare Charges, and Centralization of Care in Urban Hospitals

#501 Evaluating the Use of Breathing Treatments with Noninvasive Positive Airway Pressure in Acute Decompensated Heart Failure

#502 A Novel Algorithm for Low Risk VTE Patients

#503 Gradual Diltiazem Infusion for Rate Control of Atrial Fibrillation in the Emergency Department

#504 Riloncept Reduces Pericarditis Recurrence Risk, Hospitalizations, and Emergency Department Visits: Outcomes From the RESONANCE Registry

#505 Heart Disease Burden in U.S. Adults: Integrating Social Determinants of Health and Clinical Predictors in NHANES 2017–2023

#506 Patients with Dysrhythmias and Cardiogenic Shock: Safe, Effective Emergency Department Synchronized Cardioversion

2:00 PM

RF16 HEALTH EQUITY & DIVERSITY | ROOM 1

#94 Inequity after the Trauma Bay: Disparities in Investigation of Physical Abuse among Trauma Patients

#95 No Deployed Emergency Department Artificial intelligence Tool Has Demonstrated Reduction of Racial Treatment Disparities: An Evidence Gap Map

#96 Gender-Based Disparities in the Emergency Department Admission Process: A Cross-Sectional Survey of Emergency Physicians

#97 Treatment Disparities in Prehospital Pain Medication Administration in Pediatric Firearm Injuries

#98 Effect of Patient Sex on Physician Gestalt for Pulmonary Embolism in the Emergency Department: Propensity Score Analysis

#99 Racial, Age and Gender Disparities in Prehospital Pain Management in a Regional EMS System: A Retrospective Observational Study

RF17 HEALTH POLICY & SERVICES | ROOM 2

#100 Emergency Medicine Reimbursement: Computational Analysis of Machine-Readable Files and Encounters

#101 Navigating Financial Concerns During Acute Chest Pain Evaluations in the Emergency Department

#102 National Study of the Emergency Physician Workforce, 2026

#103 Estimating Catastrophic Health Expenditure Risk Among “Avoidable Use” Uninsured Treat-and-Release Emergency Department Encounters

#104 What Hospital Factors Predict Higher Emergency Care Prices at Rural Hospitals?

#302 Medical Malpractice Claims Involving Non-Physician Providers: A Comparative Review Across Specialties

RF18 INFECTIOUS DISEASE | ROOM 3

#105 Evaluation of Point-of-Care White Blood Cell Differential Count Testing in Patients with Suspected Neutropenic Fever in the Emergency Department

#106 Clinical Utility of Blood Cultures in Patients Hospitalized with Urosepsis

#107 Blood Culture Positivity and Empiric Antibiotic Use in ED Patients Presenting with Heat Stroke

#108 Diagnostic Accuracy of a Host-Protein Test to Differentiate Bacterial vs. Viral Infection in Adults with Suspected Community-Acquired Pneumonia (CAP)

#109 A Pre-Post Analysis of Lowering the Sepsis Alert Threshold in the Emergency Department

#110 Pre-admission GLP-1 Use Is Associated with Lower In-Hospital Mortality Among Patients with Sepsis

POSTER 5 | POSTER HALL

#507 Time From Return of Spontaneous Circulation to Admission and 7-Day Mortality After Cardiac Arrest

#508 Mortality Prediction Using Point-of-Care Testing Blood Gas Parameters Across Acid-Base Subtypes in Critically Ill Non-Traumatic Patients

#509 Racial and Ethnic Disparities in Respiratory Failure and Acute Respiratory Distress Syndrome in Ventilated ED Patients

#510 Time Series Forecasting of Daily ICU Admissions. SARIMA Model Development and Validation

#511 Reduced Opioid Exposure with Small-Bore Chest Tubes Compared to Large-Bore Chest Tubes in Pneumothoraces

#512 Emergency Department Boarding and Outcomes Among Intensive Care Admissions: Pre- and Post-Pandemic

#513 Hepatic Vein Diameter as a Surrogate for High VExUS Scores in Emergency Department Patients
#514 Characterizing Serotonin Syndrome in Acute Care: A Retrospective Analysis of Presentation, Treatment, and Outcomes

#556 Diagnostic Utility of the Kings College Criteria in Pediatric Acetaminophen-Induced Liver Failure

#685 Time to Prehospital Return of Spontaneous Circulation and Outcomes After Adult Cardiac Arrest

3:00 PM

RF19 EMF SHOWCASE | ROOM 1

#111 EMF Examining the Influences of Hospital and Market Factors on Emergency Care Prices

#112 EMF Barriers and Facilitators to Emergency Care for Adults with Autism Spectrum Disorder: A Qualitative Multi-Stakeholder Analysis

#113 EMF Prognostic Utility of Cardiac Catheterization in Chest Pain Patients with Prior Coronary Artery Disease

#114 EMF Ownership Structures Effect on the Care of Older Adults in Emergency Departments

#115 EMF Salivary microRNAs for Detecting Elevated ICP in Pediatric Shunt Malfunction

RF20 INFORMATICS, AI & TELEMEDICINE | ROOM 2

#116 Ambient Artificial Intelligence Scribes in the Emergency Department: A Scoping Review

#117 Evaluation of Ambient and Artificial Intelligence on Documentation Burden of Emergency Department Providers

#118 Beyond the Hype: Real-World Implementation of an Ambient AI Scribe in Emergency Care

#119 Quantifying Critical Care Documentation Gaps and Assessing a Real-Time Intervention in the Emergency Department

#120 Ambient AI Is Associated With Earlier Attending but Not APP Note Completion Relative to Shift End

#121 Ambient AI Scribe Adoption and Textual Convergence in Emergency Department Provider Notes

#122 Health System-Wide Evaluation of Ambient Artificial Intelligence, Human Scribes, and Standard Documentation in the Emergency Department

RF21 INFORMATICS, AI & TELEMEDICINE | ROOM 3

#123 Evaluating the Impact of a Non-interruptive EHR-based CDS Tool on Provider HEART Score Documentation Compliance in the Emergency Department

#125 Right Place, Wrong Diagnosis: AI Shows Higher Disposition Than Diagnostic Accuracy

#126 Real-World Data and Implementation Considerations for Machine Learning Triage Models

#127 Externally Validated Clinical Language Model for Predicting Critical Outcomes and Disposition at Triage: A Multi-Center Study

#128 Confidence-Calibrated AI Triage Support for ESI Assignment in a Large Urban ED

POSTER 6 | POSTER HALL

#517 Longitudinal Trauma-Informed Care in the ED! Starting as a MS-I

#518 Teaching Emergency Cardiology Through Storytelling

#520 At-Home Ultrasound-Guided Vascular Access Curriculum for Preclinical Medical Students: A Pilot Study

#521 Domain-Specific Confidence Gains in Erector Spinae Plane Block Training Using a Novel Gel Phantom

#522 Emergency Department Boarding Initiative Gamification Overhaul (ED-BINGO)

#523 Creating and Implementing A Real-Time Bias Detection Tool for Standardized Letters of Evaluation of Emergency Medicine Residency Applicants

#524 The American College of Emergency Physicians (ACEP) Medical Student Scholar Program

#525 Embedding Longitudinal, Class-Specific Simulation in Residency Training to Improve Pediatric Emergency Preparedness

#526 Impact of Emergency Department-Based Clinical IPE on Medical Student Attitudes Toward Collaboration

4:00 PM

RF22 NEUROLOGY | ROOM 1

#129 Identification of Novel Blood Proteins Using Olink Technology for the Early Diagnosis of Stroke: A Case-Control Study

#130 Co-Occurring Stroke and Substance Use Disorders in Urban Emergency Care

#131 Intravenous Thrombolysis for Acute Ischemic Stroke in Patients With Recent Direct Oral Anticoagulant Exposure: A Nationwide Cohort Study

#132 Validation of the Stroke Mimic Score (SMS) in Acute Ischemic Stroke and Stroke Mimics

#133 Cranial Accelerometry Improves Prehospital Diagnosis of Large-Vessel Occlusion Acute Ischemic Stroke

#134 Validation of a Blood-based Biomarker Assay for Ruling Out Intracranial Lesions in Mild Traumatic Brain Injury

RF23 PEDIATRICS | ROOM 2

#135 Sociodemographic Disparities in Pediatric Emergency Severity Index Triage: A Meta-Analysis

#136 Pediatric Air Medical Intubation Practice Patterns in a National Multiagency Cohort

#137 Addressing Pediatric Asthma Through Community Health Worker Integration in the Emergency Department

#138 Diagnostic Accuracy of Pediatric Emergency Medicine Clinician Identification of Solid Organ Injury Using Contrast-Enhanced FAST

#139 Implementation of Airway Boxes Improves Accuracy of Equipment Selection in Pediatric Intubation

#140 Droperidol as a Treatment for Cannabinoid Hyperemesis Syndrome Among Adolescent Emergency Department Patients

RF24 PUBLIC HEALTH & INJURY PREVENTION | ROOM 3

#141 Assessing Co-occurrence of Opioid Overdose Mortality and Firearm Violence Across the United States

#142 Increasing HIV and Hepatitis C Testing in the Emergency Department Through the ENGAGE Public Health Education Initiative

#143 Willingness to Engage in Tobacco Cessation Among Emergency Department Patients

#144 The Changing Face of the Fentanyl Epidemic: Demographic and Geographic Trends in U.S. Overdose Mortality, 2018–2024

#145 Too Young to Die: The Rising Burden of Unintentional Poisoning causing Mortality Among U.S. Adolescents

#146 The Other Epidemic: Psychostimulant Mortality Is Rural, Persistent, and Moving in the Wrong Direction

#147 Effect of Offering Assistance on Preventive Screening Willingness in the Emergency Department

RF25 QUALITY & SAFETY | ROOM 4

#148 Impact of an Emergency Department Multi-Component Strategy to Improve the Use of Alternatives to Opioid Analgesics

#149 QI for an Eye: A Multidisciplinary Effort to Safely Dispense Topical Anesthetics for Simple Corneal Abrasions From the Emergency Department

#150 Multi-Site Evaluation of Clinical Decision Support for Naloxone Co-Prescribing and Equity

#151 Leveraging a Quality Improvement Network to Increase Provision of Naloxone and Medications for ED Patients with Opioid Use Disorder

#152 Gender-Based Disparities in the Management of Abdominal Pain in the ED: A Retrospective Analysis of Analgesic Timing and Reassessment

#190 Outcomes of Alcohol Withdrawal in an ED Observation Unit following Phenobarbital Treatment

POSTER 7 | POSTER HALL

#527 Impact of Boarding Psychiatric Patients in the Emergency Department: A Survey of EMS Personnel

#528 Improved Safety During Interfacility Transport: Real-World Paramedic Use of a New Generation Transport Ventilator

#529 Out-of-Hospital Cardiac Arrest Outcomes Based on Rural vs. Urban Designation

#531 Adoption and Longitudinal Usage of a Mobile Protocol and Decision Support Application in a Large EMS System

#532 First-Pass Intubation Success Versus Patient-Centered Outcomes in Prehospital Airway Management

#533 Nationwide Analysis of Regional Differences in EMS Transport Delays in South Korea

#534 Impact of Alcohol Use on Medical Utilization across Game Phases at a Professional Football Stadium

#535 Forecasting Out-of-Hospital Cardiac Arrest Incidence Using Time Series Models: A Comparative Analysis of ARIMA and LSTM

#536 Impact of Nationwide Resident Mass Resignation on Clinical Outcomes of Acute Myocardial Infarction Patients in a Metropolitan Area

POSTER 8 | POSTER HALL

#537 Student Insights on the Impact of Suicide Prevention Training during EM Clerkship

#538 Reconnecting Clinicians to Purpose: Expanding the “Thank a Life Saver” Initiative Across Sites Within a Large Health System

#539 From Measurement to Action: A Service Line-Wide Assessment of Clinician Well-Being in Emergency Medicine

#540 Workplace Efficiency as a Driver of Well-Being

#541 Centralizing Post-Discharge Callbacks to Improve Workflow Efficiency and Clinician Well-Being in Emergency Medicine

#542 One Year Later: Outcomes of an Embedded Emergency Department-Based Supportive Care Initiative

#543 Measuring What Matters: Evaluating Emergency Medicine Well-Being Programs Through the ACEP Well Workplace Framework

#544 Aging Well in Emergency Medicine: Factors Related to Longevity, Wellness, and Sustainability in the Specialty

#545 Operational Implementation of an Emergency Department Dementia Algorithm

#546 A 25-Year Analysis of Cardiac Arrest–Associated Mortality With Ischemic Heart Disease

8:00 AM

RF26 QUALITY & SAFETY | ROOM 1

- #153 Nurse-Led Follow-Up Calls Are Associated With Fewer Geriatric Emergency Department Revisits
- #154 Never Left ED: Admitted Patients Discharged from the ED Without Inpatient Transfer Have Increased Return Visits
- #155 Factors Associated With Emergency Department Return Visits Within 72 Hours: A Systematic Review
- #156 Individualized Plans For Emergency Department High Utilizers Shows Reduced Length Of Stay, Testing and Narcotic Use
- #157 An 89% Reduction in Postpartum Readmissions: Impact of a System-Wide Transitions-of-Care Intervention
- #158 Common Themes and Preventability of 72-Hour Emergency Department Return Visits Among Adolescents and Young Adults (15–25 Years)

RF27 QUALITY & SAFETY | ROOM 2

- #159 Photos, Phone Calls, and Referrals: Dermatology Beyond In-Person Consults in Emergency Departments
- #160 Study for Evaluating Potential Sepsis Identification Shortcomings (SEPSIS)
- #161 Implementation of an Evidence-Based Seizure Clinical Pathway Reduces Emergency Department Length of Stay and Neurology Consultation Utilization
- #162 Development of an Urgent Oncology Referral Pathway for Expedited Follow-Up
- #163 ACEP Quality Measure Adherence in Emergency Department Thromboembolism and Atrial Fibrillation Care
- #164 Emergency Migraine Care Quality Across a National Emergency Department Network: A Multi-Center Analysis of Candidate Quality Metrics

RF28 RESUSCITATION | ROOM 3

- #166 The Fentanyl Takeover: National Trends, Resuscitation Burden, and Survival in Emergency Department–Origin Opioid-Associated Cardiac Arrest, 2016–2023
- #167 Fluid Resuscitation in Sepsis with Heart Failure or End-Stage Renal Disease: A Scoping Systematic Review
- #168 Early Prediction of Septic Shock Using AI-Driven Analysis of Continuous ECG-Derived Heart Rate Dynamics
- #169 BBB-penetrant, Agonist Antibodies for Activating Neuroprotective TrkB Signaling in Murine Traumatic Brain Injury

RF29 SEPSIS | ROOM 4

- #170 The Sepsis Trial Landscape: Convergence of Mortality Effects Across Two Decades of Randomized Trials
- #171 Adding Cumulative Early NEWS2 Burden to Initial Assessment Improves Prediction of ICU-level Care or Death in Suspected Septic Shock
- #172 Predictors of Intubation Within 72 Hours of Emergency Department Presentation in Patients with Septic Shock
- #174 EMF Noninvasive Bedside Assessment of Microvascular Flow Impairment in Sepsis Using Diffuse Correlation Spectroscopy
- #175 Peripheral Perfusion–Guided Management in Septic Shock: A Systematic Review and Meta-Analysis
- #176 Systemic Inflammatory Response Syndrome (SIRS) Criteria and Survivability in Patients with Septic Shock Presenting to the Emergency Department

POSTER 9 | POSTER HALL

- #547 Knockin' on Heaven's Door: Can Age Adjusted Shock Index Identify Pediatric Perforated Appendicitis at Triage?
- #548 Outcomes of Adverse Drug Reaction Reporting in Pediatric Emergency Departments and its Role in Pharmacovigilance
- #549 Patterns of Physical and Chemical Restraint Use in the Pediatric Emergency Department
- #550 Time of Day of Computed Tomography Use in Children With Minor Blunt Head Trauma
- #551 Innovative Health Care Delivery Model: Providing Pediatric Mental Health Patients with Relatable Tools for Stress Management in the Emergency Dept.

- #552 While They Wait: Supporting Children During Emergency Department Psychiatric Boarding
- #553 Preoperative Imaging for Diagnosis of Appendicitis in Pediatric Population: A Rural Community Health System Experience
- #554 Psychological Safety and Speaking Up in a Pediatric Emergency Department: Barriers Beyond Perception
- #555 Evaluating Pediatric Age-Adjusted Shock Index as a Predictor of Pelvic Emergencies at Emergency Department Triage
- #657 Underutilization of POCUS in Evaluation of Sepsis Cases in Pediatric Emergency Department Patients

10:00 AM

PLENARY | COURSE ROOM W180

- #1 Impact of Neighboring Hospital Closure on ED Operations: A Difference-in-Differences Analysis
- #2 TEE-Based Intra-Arrest Hemodynamic Phenotyping Identifies Mechanically Distinct States During Cardiac Arrest: A Multicenter rTEECoRe Network Study
- #3 RVison-PE: AI Detection of Right Ventricular Strain in Pulmonary Embolism
- #4 Trends in Critical Care Procedures Performed by Emergency Physicians, 2015–2023

11:00 AM

RF30 SIMULATION | TOXICOLOGY | ROOM 1

- #177 Treatment of Dermatologic Marine Envenomation: A Systematic Review
- #178 Efficacy of Reduced Dose Crotalidae Polyvalent Immune Fab Antivenom for Snakebites
- #179 Characteristics of Emergency Department Encounters for Patients taking GLP-1 Medications
- #180 A 3D-Printed Pediatric Foreign Body Removal Trainer for Emergency Medicine Education
- #181 Motion Tracking to Assess the Effectiveness of Ultrasound-Guided Pericardiocentesis Training
- #182 Multimodal Extracorporeal Cardiopulmonary Resuscitation (ECPR) Training and Emergency Department Clinician Confidence

RF31 SOCIAL EMERGENCY MEDICINE | ROOM 2

- #183 Patient Engagement Across a Volunteer-Led Emergency Department Health-Related Social Needs Program
- #184 Hemodialysis Utilization Among Frequent Users of the Emergency Department
- #185 Factors Influencing Follow-Up After Emergency Department Screening for Cognitive Impairment in a Safety-Net Hospital
- #186 Workplace Violence in Emergency Departments during the Coronavirus Pandemic: Qualitative Insights from Pakistan
- #187 A Community-Based "Housing First" Approach to Care of At-Risk Patients
- #188 Effect of Street Medicine Outreach on Emergency Department Utilization by Unhoused Patients at a County Safety-Net Hospital
- #189 Characteristics and Healthcare Utilization of Homeless Adults Presenting to the Emergency Department

RF32 TOXICOLOGY & SUBSTANCE USE DISORDER | ROOM 3

- #191 First-Dose Effects of Injectable Buprenorphine and the Impact of Plasma Concentrations on Withdrawal
- #192 Limited Value of the Presenting CIWA-Ar Score in Patients Without Prior Complicated Withdrawal
- #193 National Early Warning Score Predicts Early Critical Illness in Patients With Illicit Drug Use: A Multicenter External Validation Study in Taiwan
- #194 Reefer Madness: Clinical Features and Outcomes of Transient Cannabis-Induced Psychosis in the Emergency Department
- #195 Development of Digital Biomarkers to Monitor Opioid Withdrawal and Buprenorphine Induction in Individuals with Opioid Use Disorder

POSTER 10 | POSTER HALL

- #557 The Impact of a Clinical Decision Support Tool on Mortality in Patients with Severe Sepsis and Septic Shock: An Interrupted Time Series Analysis
- #558 Deep Learning and Artificial Intelligence in Focused Assessment with Sonography for Trauma (FAST): A Systematic Review and Meta-Analysis
- #559 Descriptive Outcomes of an Ambient AI Scribe Pilot in the Emergency Department
- #560 Implementation of an Asthma Discharge SmartSet Is Associated with Improved ED Prescription Practices
- #561 Can AI MIMIC the Human Touch? Evaluating the Quality of AI-Written Discharge Instructions Using a De-Identified Dataset
- #562 Ambient AI Scribing at Emergency Department Triage: A Feasibility Pilot Study with Error Classification at a Level I Trauma Centre in India
- #563 Assessment of Artificial Intelligence Against Radiologist Review of Chest and Limb Radiographs in the Emergency Department
- #564 National Patterns of Medication Prescribing in Health Administration Tele-Emergency Care
- #565 Artificial Intelligence-Initiated Acute Care Referrals: Recommendation Rates, Follow-Through, and Utilization Patterns From an AI Health Assistant
- #566 Predicting Survival in Patients with Septic Shock Presenting to the Emergency Department

12:00 PM

RF33 TRAUMA & ORTHOPEDICS | ROOM 1

- #196 Towards CT Reduction in Mild Traumatic Brain Injury: Validation of the Point-of-Care TBI Blood Test as Rule-Out Tool
- #197 EMF Regional Blood–Brain Barrier Disruption Following Acute Concussion: Exploring Associations With Symptoms, Cognition, and Blood Biomarkers
- #198 Routine Head CT After Mild Traumatic Brain Injury in Older Adults on Antithrombotic Therapy: Extremely Low Diagnostic Yield Without Clinical Impact
- #199 Risk Stratification Fails in Older Adults With Mild Traumatic Brain Injury: Limited Utility of CT Decision Strategies Frailty and Cognitive Impairment
- #200 Predictors Of Favorable Recovery After Mild Traumatic-Brain Injury In The ED
- #201 Mortality after Fall-related Traumatic Intracranial Hemorrhage among Older Adults Taking Anticoagulants or Antiplatelets: A Meta-Analysis
- #202 Predicting In-hospital Mortality in Patients with Traumatic Brain Injury Using GFAP, UCH-L1, and MAP-2 Measured within 30 and 60 Minutes of Injury

RF34 ULTRASOUND | ROOM 2

- #203 Efficacy of Artificial Intelligence Anatomy Labeling With a Novel Ultrasound Imaging Device for Extremity Trauma
- #204 Beyond B-Lines: Multimodal AI for Early Hypoxia Prediction
- #205 Agreement of Artificial Intelligence-Enabled Automated Fetal Heart Rate During Emergency Ultrasound
- #206 Bridging the Gap: A Glucmannan-Based Ultrasound Gel Alternative for Resource-Limited Settings
- #207 Integration of Artificial Intelligence in Hydronephrosis Detection with Point-of-Care Renal Ultrasound
- #208 Automated Detection of Free Fluid in Abdominal Focused Assessment with Sonography in Trauma Exams

RF35 WELLNESS | ROOM 3

- #209 Can't Take the Heat? Get Back in the Kitchen: Burnout and Diet in Emergency Physicians
- #210 Insomnia Severity is Associated with Perceived Stress Among Emergency Physicians
- #211 A Mixed-Methods Evaluation of Emergency Physician Perspectives on Shift Scheduling

#212 Relationship Between Hobbies and Professional Quality of Life Among Emergency Physicians

#213 Impact of Meditation on Emergency Medicine Resident Perceptions of Wellbeing and Fatigue During Day and Night Shifts

#214 Sleep Health in Emergency Physicians: A Longitudinal Comparison of RU-SATED and OURA-Derived Metrics

#215 Chronotype And Insomnia Severity Among Rotating-Shift Emergency Physicians: A Prospective Cohort Study

RF36 ABDOMINAL & PELVIC CONDITIONS | ROOM 4

#216 Fournier's Gangrene Across the Age Spectrum: Insights from a Regional Emergency Department Network

#217 Improving Emergency Department Paracentesis Efficiency: Implementation of a "Jumbo-Jug" Wall Suction Technique

#218 Emergency Department Utilization for Urinary Retention in the United States: A National Analysis

#219 Clinical Significance of Trace Pelvic Free Fluid in Women Presenting to the Emergency Department with Acute Pelvic Pain

#220 Can Ovarian Torsion Be Missed on CT? Diagnostic Yield of Transvaginal Ultrasound Following a Pelvic CT Without Direct or Indirect Signs of Torsion

#221 Peripancreatic Fat Attenuation Index Adds Value in Acute Pancreatitis CT Evaluation

POSTER 11 | POSTER HALL

#567 A Multicenter Analysis of Patient Language, Race, Ethnicity, and Sex in ED Appendicitis Management

#568 External Validation of SCORE2-Diabetes in Hong Kong Across Age and Chronic Kidney Disease Groups: A Regionally Representative Cohort Study

#569 Windows Into Equity: An Assessment of Point-of-Care Ultrasound Echocardiogram Use in the Emergency Department

#570 Operationalizing a Women's Health Workflow in an Urban Emergency Department

#571 Barriers and Facilitators of Initiation of Contraception Methods within the Emergency Department

#572 Variations in Pain Management Methods for Non-Cardiac Chest Pain in an Academic Emergency Department

#573 The Association Between Dizziness and Stroke Does Not Differ for Hispanic and Non-Hispanic Patients

#574 Pregnant Under Pressure: A Qualitative Analysis of Pregnant and Postpartum EMS Clinicians

#575 Advancing Health Equity Through Rapid Human Immunodeficiency Virus Linkage and Treatment in an Inclusive Community Health System

#576 Gender Barriers in Bystander Initiation of Chain of Survival Response to Out-of-Hospital Cardiac Arrest: Pilot Study

1:00 PM

RF37 ADMINISTRATION & OPERATIONS | ROOM 1

#222 Impact of a Novel Delirium Screening Protocol on Process Measures and Clinical Outcomes for Older Adults in the Emergency Department

#223 From Emergency Department to Enterprise: Scaling a System-Wide Point-of-Care Ultrasound Program

#224 Impact of Candida auris Screening on Emergency Department Throughput in a Multi-Site Health System

#225 Improving Emergency Department Electrocardiogram Turnaround Time with Technicians and Visual Icons

#226 Improving STI Testing in the Emergency Department Through Standardized Pelvic Swab Collection and Targeted Clinician Education

#227 An Expedited Outpatient Radiology Pathway for Advanced Imaging from the Emergency Department

#228 Lactate Ordering in Sepsis: Provider Assessment Versus Non-Facing Remote Monitoring System

RF38 ANESTHESIA, PAIN MANAGEMENT & SEDATIONS | ROOM 2

#229 Dosing Strategies in ED Sedation: Methohexital vs. Propofol

#230 Impact of the Publication of a Ketamine-Etomidate Trial on Sedative Choice for Rapid Sequence Intubation

#231 Exploratory Pilot Comparison of 90 mcg and 150 mcg IV Buprenorphine for ED Analgesia

#232 Effects from Implementing an Emergency Department Opioid Analgesic-sparing Protocol for Renal Colic

#234 ED Procedural Sedation: Recreational Drug Users are More Likely to Require a Second Sedative and Have an Adverse Event

#235 ED Procedural Sedation: Higher Sedative Doses and Incidence of Adverse Events in Recreational Drug Users

RF39 BEHAVIORAL HEALTH & PSYCHIATRY | ROOM 3

#7 Intravenous Ferric Derisomaltose Versus Oral Ferrous Sulfate in Women with Anemia due to Uterine Bleeding

#236 Association Between Cannabis-Related Disorders and Incident Psychosis in Individuals with ADHD

#237 Influence of Social Vulnerability on Prehospital Behavioral Health Emergencies

#238 Redesign of Behavioral Health Intake and its Association with Throughput and Safety Outcomes

POSTER 12 | POSTER HALL

#470 Factors Related to a Delayed In-hospital Diagnosis of Acute Cholecystitis: A Two-Center study

#577 Temporal Trends and Factors Associated with EMS Utilization in Stroke Patients

#579 MI-SMART: Implementing a Consensus-Based Medical Clearance Pathway for Inpatient Psychiatric Admissions

#580 Resource Utilization and Medical Management in Psychiatric Emergency Department Visits

#581 Impact of Onsite Psychiatric Response Team on Emergency Department Length of Stay

#582 Quality Improvement Initiatives for Status Epilepticus in the Emergency Department: A Systematic Review and Meta-Analysis

#583 Canalith Repositioning Outcomes in Emergency Department Benign Paroxysmal Positional Vertigo

#584 What is the Efficacy of Emergency Department Interventions to Address Suicide in Low and Middle-Income Countries? A Scoping Review

#585 Bayesian Estimation of Posterior Circulation Stroke Probability in ED Patients With Isolated Dizziness: A Monte Carlo Simulation

#586 A Description of Current Headache Management in the Emergency Department

2:00 PM

RF40 CARDIAC ARREST OUT OF HOSPITAL | ROOM 1

#239 Implementation of a Dispatch-Linked Community Responder System Improves Early Response in Out-of-Hospital Cardiac Arrest

#241 Association of Early Advanced Airway Management With Clinical Outcomes in Out-of-Hospital Cardiac Arrest According to EMS Response Tier and Crew Size

#242 Beyond the Checklist: Physician Involvement in Prehospital Termination of Resuscitation

#243 Pragmatic Comparison of Half-Dose and Standard Dose Epinephrine in Out-of-Hospital Cardiac Arrest

#244 ALS vs. BLS in Patient Outcomes After Out-of-Hospital Cardiac Arrest

#245 Israel Resuscitation Outcomes Consortium: A Nationwide Study of Characteristics and Outcomes of Out-of-hospital Cardiac Arrest

RF41 CARDIOVASCULAR | ROOM 2

#246 Multicenter Validation of Left Atrial Dilation as a Marker of Disease Severity in Sickle Cell Disease

#247 Bedside Measurement of Mitral Annular Plane Systolic Excursion (MAPSE) for Assessment of Left Ventricular Systolic Function in the Emergency Department

#248 Development and Validation of a Nomogram for Early Prediction of Heat Stroke-Induced Cardiorenal Syndrome: A Multicenter Retrospective Cohort Study

#249 EMF Earlier Initiation of Acetazolamide Is Associated with Shorter Hospital Length of Stay in Patients with Chronic Heart Failure

#250 Embedded Cardiology Consultation Fosters Safety and Collaboration: A Qualitative Analysis of Clinician Perception

#251 Point-of-Care AI for Heart Failure Diagnosis and Intermediate Natriuretic Peptide Decision Support

#252 Higher Emergency Department Diuretic Dosing for Acute Heart Failure Associated with Lower Risk of Hospitalization

POSTER 13 | POSTER HALL

#587 Participant Perspectives on Barriers and Facilitators to Enrollment in a Hospital-based Violence Intervention Program: A Qualitative Study

#588 From Screen to Emergency Department: How YouTube Fuels Hazardous Youth Drinking

#589 Emergency Department Burden and Disposition of Sport-Related Fractures in Young Athletes: A National NEISS Analysis, 2015–2024

#590 Acceptability of Emergency Department-Based Preventive Health Interventions: Perspectives of Patients and Healthcare Clinicians

#591 Associations Between Firearm Ownership, Gun-Policy Strength, and Hospital Shootings in the United States

#592 Dissemination of Overdose Recognition and Naloxone Content Through Local Government Social Media

#593 Dying at Home: National Trends and Disparities in Carbon Monoxide Poisoning Mortality in the United States, 2018–2024

#594 Social Media as a Tool for Bystander Preparedness to Respond to Traumatic Bleeding

#595 The Drowning Crisis Continues: Seven-Year Analysis of Fatal Unintentional Submersion in the United States, 2018–2024

#596 Home Safety Practices and Gun Lock Distribution Among Adult Emergency Department Patients

3:00 PM

RF43 CARDIOVASCULAR | ROOM 1

#37 Patient Throughput Characteristics of Implanted Cardiac Device Interrogation in the Emergency Department

#254 Cancer-Specific Risk Stratification for Adverse Outcomes After Pulmonary Embolism in the Emergency Department

#255 Multiorgan Hypertension-Mediated Organ Injury Score for Risk Stratification in Acute Severe Hypertension

#256 Blood Biomarkers of Brain Injury Are Associated with Hypertensive Emergency Among Patients with Acute Severe Hypertension

#257 Death at First Medical Contact in Aortic Disease Versus Acute Myocardial Infarction: Diverging National Trends, United States 1999–2020

#258 National Impact of 2026 AHA/ACC Guideline for Acute Pulmonary Embolism Implementation on Mortality and PERT Utilization

RF44 CARE TRANSITIONS & PATIENT FLOW | ROOM 2

#259 The Architecture of Urgency: Linking Emergency Department Design to Timeliness of Care

#260 Emergency Department Transfer Navigator: A Novel Approach to Load Leveling at a Tertiary Academic Medical Center

#261 Leveraging Utilization Review To Enhance Emergency Department Observation Unit Impact

#262 Implementing EMR-Embedded Longitudinal Care Plans for ED and Inpatient High Utilizers at an Urban Academic Community Hospital

#263 Impact of Attending Optimizer Program on Ambulance Patient Offload Times

#264 Redesigning Emergency Department Disposition Workflows to Integrate a Care-at-Home Model Across 14 Medical Centers

RF45 EDUCATION | ROOM 3

#265 Comparison of Resident and Attending Judgement of Diagnostic and Management Opportunity for Improvement on 48-Hour ED Return Review

#267 Association of Discharge Conversation Quality and Patient Discharge Instruction Comprehension with Emergency Department Revisits

#268 Have You Seen Your Doctor Yet? Impact of Resident Clothing on Physician Recognition in the Emergency Department

#269 Preparing Pediatric Emergency Department Nurses and Physicians for Optimal STI Care: A Thematic Analysis of Stakeholder-Identified Training Needs

#515 Factors Associated with All-Cause Mortality in Patients with Septic Shock Presenting to the Emergency Department

#516 The Association Between SIRS Criteria and All-Cause Mortality in Patients with Septic Shock Presenting to the Emergency Department

POSTER 14 | POSTER HALL

#597 Novel Standardized STI Screening Implementation in Colorado Emergency Departments

#598 Before the Fall: Connecting High-Risk Adults to Prevention Before Emergency Department Visits

#599 Parks for Gun Violence Prevention: A Constructivist Grounded Theory

#600 Where Fatal Traumatic Brain Injury Occurs Changed: A 25-Year National Analysis of Death Location

#601 Injuries and Outcomes Associated with Crashes During Elite Motorcycle Racing

#602 Postpartum Emergency Department Utilization in a High-Risk Urban Maternal Population

#603 Acute Management and One-Year Outcomes After Sexual Assault: A Retrospective Study of SANE Evaluations

#604 Start-a-Heart/Stop-a-Bleed: Evaluation of a Community-Based, Medical Student-Driven First Aid Training Initiative

#605 Interpersonal Violence Trauma in Pakistan: Epidemiology, Severity, and Acute Care Needs Across a Multicenter Cohort

#606 Challenges of Studying Physical Resilience in Older Patients Seen for Falls Injuries

4:00 PM

RF46 EDUCATION | ROOM 1

#270 Design, Implementation, and Evaluation of a Programmatic Assessment Model in an Emergency Medicine Residency: A Mixed-Methods Study

#272 Public Reporting of Emergency Medicine Residency Program Board Examination Pass Rates and Subsequent Match Outcomes

#273 Variation in Exposure to High-Acuity Trauma and Stroke Centers Across Emergency Medicine Residencies

#274 The Impact of a Procedural Competency and Quality-Focused Curriculum on Attending Education

#709 Assessment of Elementary School Teachers' Knowledge After Training in Basic Life Support and Foreign Body Airway Obstruction Management

RF47 EMS & DISASTER | ROOM 2

#275 Hotspotting EMS Calls for Heat Stroke: A Case Series

#276 Social Vulnerability and Hospital Access Loss After Hurricane Ian

#277 Aligning Pediatric Readiness with Demand: National EMS Utilization Trends by Age and Season

#278 Current Emergency Medical Services Approaches to Pain Management in Older Adults: A Comprehensive Analysis of Statewide Protocols

#279 Out-of-Hospital Cardiac Arrest Among Persons Experiencing Homelessness: A Retrospective Review of EMS Records

RF48 EMS & DISASTER | ROOM 3

#280 Avoidant Coping Associated with Substance Use Among Emergency Medical Service Clinicians

#281 Impact of a City Wide Nursing Strike on EMS Volume in an Urban City

#282 EMS Transport Refusal Calls to Online Medical Direction: Hypoglycemia Reversal as a High-Volume, Low-Denial Subgroup

#283 Impact of EMS Physician Review on High-Risk Obstetric Interfacility Transport Decisions

#284 Redesigning Emergency Medical Services Under H.R.1: Opportunities for Innovation

#285 EMS System Responses to Frequent 911 Utilization: Policy, Enforcement, and Community-Based Programs

RF49 GERIATRICS | ROOM 4

#286 Making the Invisible Patient Visible in Emergency and Critical Care: A Patient-Voiced Charting Tool

#287 Prolonged Boarding Exposure in Older Adults at Freestanding and Hospital-Based Emergency Departments

#288 ED-VIS: A Novel EHR-driven Tool to Prioritize Inpatient Bed Assignments for Vulnerable Older Adults

#289 Quality Improvement Feedback to Improve Training and Implementation Processes in a Pragmatic, Cluster-Randomized Multifactorial Study Across 79 US EDs

#290 Emergency Department Resource Needs Increase With Age Among Injured Older Adults: A Cross-Sectional Study at a Quaternary Care Center

#291 Older Adults Admitted to the Hospital Board in the Emergency Department for Longer than Younger Patients

POSTER 15 | POSTER HALL

#607 Performance of Common Stroke Scales in Detecting Posterior Circulation Stroke

#608 Early Throughput Delays, Not Volume or Boarding, Drive High Left-Without-Being-Seen Days: An Interpretable Quality Improvement Study

#609 Applying Lean Strategy and Hoshin Kanri in a County Hospital: A Framework for Organization-Wide Improvement in Patient Flow and Access

#610 National Institute of Health Stroke Scale Cards in a Tertiary Care Center Emergency Department: A Quality Improvement Project

#611 Emergency Department Under-Triage in Stevens-Johnson Syndrome and Toxic Epidermal Necrolysis: Role of Immune Comorbidities

#612 Resident-Led Post-Discharge Callbacks in the Emergency Department: A Quality Improvement Pilot

#613 Improving Pain Reassessment Compliance After Analgesia in the Emergency Department: A Multi-Cycle Quality Improvement Project

#614 Novel Regression- and Machine Learning-Based Indices to Predict High-Risk Emergency Department Revisits: A Development and Validation Study

#615 Evolution of Sepsis Care Capabilities in Community Emergency Departments Since the E-QUAL Sepsis Initiative in 2017

#616 Improving Core Stroke Measure Compliance Through a Non-Code Stroke Order Set in the Emergency Department: A Quality Improvement Initiative

POSTER 16 | POSTER HALL

#617 A Cross-Sectional Survey of Workplace Violence Prevention Policies and Reporting Practices in Healthcare Settings

#618 System-wide High-consequence Infectious Diseases Personal Protective Equipment Training Across Hospital Points of Entry

#619 Decreasing Intravenous Potassium Utilization in the Emergency Department: Effects on Safety and Efficiency

#620 Noise Distress in the Emergency Department: A Patient-Reported Measure of Acoustic Burden

#621 Let Them Eat Cake: Reducing Default NPO Orders in the Emergency Department

#622 Association of an AIMED Checklist with Outcomes After Emergency Department Discharge Against Medical Advice

#623 Comparison of Point-of-Care and Laboratory Plasma Lactate Measurements in Patients with Infection

#624 Impact of a Visual Identity Tool on Provider-Nursing Communication

#625 From Hesitation to Immobilization: Splinting with Confidence

#626 A Provider-in-Triage and Continuous Flow Tract Model Improves Left Without Being Seen Rate in a Veterans Affairs Emergency Department

WEDNESDAY, OCT. 7

8:00 AM

RF50 GERIATRICS | ROOM 1

#292 "I Have to be Mentally Ready to Fight for My Very Existence": Experiences of People with Disabilities in Chicago Emergency Departments

#293 Comparative Analysis of English and Spanish Emergency Department Patient Education Materials

#294 Fiction vs. Function: Patient Representation in The Pitt and Emergency Medicine

#295 Effect of Emergency Department Crowding on Interpreter Use

#296 Healthcare Utilization Among Immigrants Under Periods of Heightened Immigration Enforcement: A Scoping Review

#297 Patients' Preferred Language as a Demographic Factor Associated with Involuntary Psychiatric Commitment Among Emergency Department Presentations

RF51 HEALTH & POLICY SERVICES | ROOM 2

#298 Burnout Phenotypes and Cumulative Risk Among Emergency Physicians in Chile: A National Cluster Analysis

#300 The Graying of Rural Emergency Medicine: Diverging Physician Supply and Age Across the Rural-Urban Continuum, 2005-2020

RF52 INFECTIOUS DISEASE | ROOM 3

#303 One-Year HIV Care Cascade Outcomes Among Newly Diagnosed and Out-of-Care Emergency Department Patients with HIV: A Multicenter Cohort Study

#304 Addressing Diagnostic Bias: A 10-fold Increase in ED-Based Infectious Disease Case Identification via EHR Automation

#305 Intravenous Plus Oral Versus Oral-Only Antibiotic Therapy for Pyelonephritis Discharged from the Emergency Department: A Propensity-Matched Study

#306 Impact of Point-of-Care Hepatitis C Virus RNA Testing on Follow-Up Workflow in an Emergency Department Screening Program

#307 Intravenous Antibiotics Prior to Emergency Department Discharge for Cellulitis: A Multicenter Propensity-Matched Cohort Study

#308 HIV and Syphilis Testing Among Patients Receiving Gonorrhea and Chlamydia Tests in a District of Columbia Academic Emergency Department

RF53 INFECTIOUS DISEASE | ROOM 4

- #309 An Emergency Department-Based Combined Hepatitis B Virus and Hepatocellular Carcinoma Screening Program: A Prospective Multicenter Study in Tanzania
- #310 Optimizing Outpatient Antimicrobial Prescribing Practice in an Academic Emergency Department
- #311 Evaluation of a Host-Response Sepsis test for Risk Stratification of Patients with ESRD Presenting to ED with Signs and Symptoms of Infection
- #312 Use of TriVerity vs. Standard Care in Adult Emergency Department Patients with Suspected Acute Infections: An Interventional Study
- #313 Gaps in Infectious Disease Follow-Up and Receipt of Complete HIV PEP Prescriptions After Sexual Assault
- #314 Implementation of an Inclusive Decision Support Tool for Febrile Infants Aged 7-90 Days in the Emergency Department

POSTER 17 | POSTER HALL

- #627 Bridging Opioid and Alcohol Dependence: Impact on Emergency Department Utilization and Overdose
- #628 Urban vs. Rural Organophosphate and Carbamate Poisonings: A National Poison Data System Analysis
- #629 Impact of the COVID-19 Pandemic on Methamphetamine Exposures Reported by American Poison Centers
- #630 Opioid Use Disorder Treatment Patterns Before and After the Implementation of an Opiate Use Disorder Consultation Team
- #631 Bitter-Sweet Poisoning: Taste Effects on Exploratory Sip Volume
- #632 Opportunities for Emergency Department Intervention in Adult Trauma Patients with Substance Use Disorder
- #633 Quantifying a Handful of Pills
- #634 Emergency Department Intubation in Poisoned Patients: A Poison Center Case Series
- #635 Trends in Cannabinoid Hyperemesis Presentations and Management Associated with Use Legalization
- #636 The Impact of Chief Complaint on Timeliness of Care and Outcomes for Emergency Department Patients with Alcohol Withdrawal

9:00 AM

RF54 INFORMATICS, AI & TELEMEDICINE | ROOM 1

- #315 An Artificial Intelligence-Enabled Pipeline to Identify Chest Pain Eligible for Observation
- #316 Large Language Model Extraction of Pulmonary Embolism Features From Radiology Reports
- #317 Diagnostic Safety Guardrails for Large Language Models in Pediatric Emergency Medicine
- #318 EMF Use of a Large Language Model to Identify Inappropriate Antibiotic Prescriptions for ED Respiratory Infections
- #319 Patient Engagement with an Artificial Intelligence Health Assistant after Emergency Department and Hospital Discharge
- #320 INDEX Automation Framework on Neurologic Exclusion Criteria from Emergency Department Records

RF55 NEUROLOGY | ROOM 2

- #321 A Qualitative Study of Patient Experiences with Emergency Care for Dizziness and Vertigo
- #322 HABERMAN'S Score: A Tool to Reduce Unnecessary Stroke Evaluations in Patients With Sensory Symptoms
- #323 Primary Results of the DIZZTINCT-2 (DIZZiness Treatment Through INterventional Behavior Change Tactics, Part 2) Trial
- #324 Bedside Portable MRI for Emergency Department Neuroimaging: A Randomized Clinical Trial
- #325 Magnesium and Prochlorperazine for the Treatment of Migraines: An Interim Analysis of MAGGraine-2
- #326 When the Dix-Hallpike Is Positive, Is MRI Necessary? Findings From an Emergency Department Vertigo Pathway

RF56 PUBLIC HEALTH & INJURY PREVENTION | ROOM 3

- #327 Eyewear Mandate Reversal and a Tenfold Increase in Emergency Department Visits for Ocular Injuries in Girls' Field Hockey: A National Analysis
- #328 Seasonal Epidemiology of Geriatric Trauma in U.S. Emergency Departments: Identifying Vulnerable Subgroups Through NHAMCS Data
- #329 Firearm Violence Against EMS Clinicians in the United States: 2015-2025
- #330 When De-escalation Fails: A Workplace Violence Preparedness Curriculum for Emergency Medicine Residents
- #331 E-Bike and Other Micromobility Device Injuries: Insights from a Level 1 Trauma Center in NYC
- #332 Pre-Trial Co-Design of an Emergency Department-Based Fall Prevention Intervention Using a Patient-Centered Framework

RF57 QUALITY & SAFETY | ROOM 4

- #334 Does the Implementation of a Clinical Debriefing Tool Improve Systems-Based Patient Care?
- #335 Consecutive Emergency Department Shifts and Quality Metrics: A Multicenter EHR-Linked Analysis
- #336 Establishing a Faculty-Based Clinical Practice Variation Group: A Model from Emergency Medicine
- #337 Impact of a Longitudinal Quality and Patient Safety Curriculum on Psychological Safety and Second Victim Syndrome in Emergency Medicine Residents
- #338 Burnout Is a Patient Safety Issue: Reducing Emergency Physician Burnout to Improve Patient Outcomes

POSTER 18 | POSTER HALL

- #637 EMF Pilot Study to Investigate the Therapeutic Efficacy and Target Engagement of 3TC After Severe Traumatic Brain Injury in Mice
- #638 The Impact of an Integrated Clinical Decision Support Tool on Provider Utilization of a Predefined Sepsis Order Set
- #639 Patients' Perceptions of Bedside Point-of-Care Ultrasound at an Urban Academic Emergency Department
- #640 Emergency Medicine-Performed Erector Spinae Plane Block vs. Usual Care in Isolated Traumatic Rib Fractures
- #641 ARSE: Anorectal Sonographic Evaluation in the Emergency Department
- #642 Predictors of Discordance in Emergency Department Triage Acuity and CPT Complexity
- #643 Impact of a Best Practice Alert Intervention on Pediatric Head Injury Evaluation in Hawai'i
- #644 Why Is Pericardial Fat Anechoic? A Clinicopathologic Correlation
- #645 Healthcare Worker Perception of a Large Language Model Sepsis Alert in the Emergency Department
- #646 Deep Learning Detection of Area of Maximal Compression During TEE-Guided CPR

10:00 AM

RF58 QUALITY & SAFETY | ROOM 1

- #339 Racial, Socioeconomic, and Structural Disparities in Pressure Injuries and Falls With Hip Fracture
- #340 Knowledge Gaps in Emergency Department Care of Breastfeeding and Lactating Patients: A Survey
- #341 Improving Inhaled Corticosteroid Initiation from the Pediatric Emergency Department
- #342 Improving Time to Antibiotic Administration in Pediatric Sepsis Using an IPSO-Guided Bundled Care Approach
- #343 Feasibility and Operational Effects of Expanding Yale Swallow Protocol Screening for Older Adults in the Emergency Department

RF59 SOCIAL EMERGENCY MEDICINE | ROOM 1

- #344 ESI and Language Barriers: Does Interpreter Use Improve Triage Concordance?
- #345 Sexual Assault Evidence Kit Collection and Factors Influencing Patient Decision-Making
- #346 Undocumented Immigrant Patients and Their Barriers To Emergency Care: A Simulation Case

- #347 Acute Patient Recall After Sexual Assault: Multidimensional Insights from Trauma-Informed SANE Care
- #348 Improving Emergency Physician Confidence in Contraception Initiation and Early Pregnancy Loss Counseling Through Education
- #349 Participation in Emergency and Acute Care Research Declines with Community Level Increased Immigration Enforcement

RF60 TOXICOLOGY & SUBSTANCE USE DISORDER | ROOM 3

- #350 From Detection to Connection: Two-Year Outcomes with an Automated Substance Use Disorder (SUD) Identification Tool in the Electronic Health Record
- #351 Implementing Patient-Centered Contraceptive Care in the Emergency Department: A Health System-Wide Initiative
- #352 EMF From Acute Care to Outpatient Treatment: Real-World Effectiveness of Emergency Department-Initiated Buprenorphine
- #353 EMF Impact of Narcan Availability on Substance Use Behaviors Among Persons Who Use Drugs
- #354 The Impact of Naltrexone Treatment on Subsequent ED and Healthcare Encounters in Adults with Alcohol Use Disorder
- #355 Emergency Department Discharge Naloxone Programs and Downstream Overdose Mortality and Recurrence

RF61 TRAUMA & ORTHOPEDICS | ROOM 4

- #356 Gender Equity in Splenic Trauma Management: No Disparities or Temporal Trends Across a Decade of Protocolized Care
- #357 EMF Barriers and Facilitators to Evidence-Based Pediatric Burn Care at Non-Burn Center Emergency Departments
- #358 Personal Protective Equipment Use During Trauma Resuscitation: A Mixed-Methods Quality Improvement Study
- #359 Infrared Thermography: Predicting Displacement and Surgical Needs in Pediatric Extremity Fractures
- #360 Traumatic Subarachnoid Hemorrhage in Awake Patients Does Not Require Neurosurgical Intervention
- #361 Pediatric Traumatic Abdominopelvic Injuries in the NEXUS Abdominopelvic Derivation Set

POSTER 19 | POSTER HALL

- #647 Clinico-epidemiological Profile and Effectiveness of Canal Repositioning Manoeuvres in Post Traumatic BPPV Patients in ED of a Level 1 Trauma Centre
- #648 Factors Associated with 7-day ED Return Visits Following Upper Extremity Injuries in Older Adults
- #649 Comparative Outcomes of Ground-Level Falls in Adults Aged 55-64 vs. ≥65 Years: A Real-World Database Study
- #650 Emergency Medicine vs. Orthopedic Management of Shoulder Dislocations in the Emergency Department: A Retrospective Cohort Study
- #651 Characteristics of Injury-Related ED Visits Among Undocumented Immigrant Patients
- #652 Impact of Head CT and Repeat Imaging on Emergency Department Throughput in Mild Traumatic Brain Injury: High Resource Use Without Clinical Benefit
- #653 National Cost Savings From Universal Adoption of the Brain Injury Guidelines: A Monte Carlo Analysis
- #654 Utility of Whole-Body Computed Tomography in Isolated Femur Fractures
- #655 A Novel Assembly for Hands-Free, Contained, and Pressurized Wound Irrigation

11:00 AM

RF62 ULTRASOUND | ROOM 1

- #362 Diagnostic Performance and Utility of the EFAS[®] Ultrasound Exam in Community Emergency Departments
- #363 Development and Validation of Lung Ultrasound Prediction Scoring Tool
- #364 Clinical Benefits of Resuscitative Transesophageal Echo: A Single-Center Retrospective Study
- #365 The Hemodynamic Impact of Outflow Tract Patency and Ventricular Compression in a TEE-Guided Swine Model of Cardiac Arrest
- #366 Worklist Use and Point-of-Care Ultrasound Documentation in Resuscitation Rooms

RF63 ADMINISTRATION & OPERATIONS | ROOM 2

- #367 Embedded ED-based Supportive Care Initiative Outcomes Measurement: An Analytics Challenge
- #368 Critical Care Billing Capture Across Three Emergency Departments: Wide and Durable Provider-Level Variation in a 10-Year Multi-Site Analysis
- #369 Impact of Emergency Department Hold Hours on In-Hospital Mortality: A Five-Year Retrospective Analysis
- #370 National Impact of the 2023 Emergency Medicine Evaluation and Management Guideline Revisions
- #371 Emergency Medical Treatment and Labor Act (EMTALA) Citations Involving Disruptive Patient Behavior

RF64 CARDIOVASCULAR | ROOM 3

- #372 Area Level Deprivation and Stroke Prophylaxis for New Atrial Fibrillation in the Emergency Department
- #373 Do Historical Redlining Grades Influence Emergency Department Chest Pain Care Patterns?
- #374 Embedded Cardiology Consult Services Facilitate Expedited Workup Resulting In Lower Admissions
- #375 Neighborhood Socioeconomic Status and Social Vulnerability as Determinants of Survival Outcomes and EMS Practices in Out-of-Hospital Cardiac Arrest
- #376 Frequent vs. Non-Frequent Epinephrine Dosing in Pediatric In-Hospital Cardiac Arrest: A Systematic Review
- #377 Migration of Cardiac Arrest-Associated Death From Hospital to Home in Older Americans, 1999-2024

RF65 EDUCATION | ROOM 4

- #55 Beyond Confidence: An AI Simulation Tool for Medical Student De-escalation Training in the Emergency Department
- #378 From Chaos to Confidence: How Interprofessional Critical Event Response (CER) Training and Role Clarity Boost Response Readiness
- #379 CODE BRICK: Exploring the Use of a Novel Table-top Role Playing Game to Train In-hospital Disaster Medicine Concepts to Emergency Physicians
- #380 Practical, Scalable Approach to Pediatric Readiness in General Emergency Departments: A Multi-Site Simulation Initiative
- #381 ITE Game Master: Can Gamification Level Up Emergency Medicine Board Review?
- #382 Bedside Banter: A Serious Game for Practicing High-Stakes Communication in the Emergency Department

POSTER 20 | POSTER HALL

- #657 Underutilization of POCUS in Evaluation of Sepsis Cases in Pediatric Emergency Department Patients
- #658 Evaluation of Infection Rate in Ultrasound-Guided Peripheral IV Lines
- #659 Characterization of Vitreous Debris Visualized on Ocular Point-of-Care Ultrasound
- #660 Characterizing Emergency Medicine-Based Point-of-Care Ultrasound Medical Student Electives: A National Survey Comparing 2019 and 2024
- #661 Small Probe, Maximum Potential: Point-Of-Care Ultrasound in Role-1 Care
- #662 From Availability to Adoption: Understanding Fascia Iliaca Block Utilization Across A Regional Health System

- #664 Accuracy and Inter-rater Reliability of the Ultrasonographic Tensile Fundus Sign For Emergency Diagnosis of Cholecystitis
- #665 Effect of Arm Elevation on Intercoastal Space Width and Echo Image Quality in ED POCUS: A Prospective Study
- #666 Ultrasound Confirmation of Internal Jugular Hemodialysis Catheters in the Emergency Department
- #686 Cost-Effectiveness of a Physician Peer Support Program: A Markov Model

12:00 PM

RF66 EMS & DISASTER | ROOM 1

- #383 Prehospital Antibiotic Use: A National Retrospective Cohort Study
- #384 Pre-Hospital Barriers and Facilitators for Goal-Concordant Care: A Multicenter Qualitative Analysis of Surrogate Decision-Maker Experiences
- #385 Mass Casualty Simulation: A Unique, Large-Scale Drill for Residents, Nurses, and Paramedics
- #387 TMAVI: A County-Level Medical Access Vulnerability Index for Mass Public Shooting Preparedness in the United States
- #388 Is Naloxone Being Used for Altered Mental Status Rather Than Respiratory Depression in the Prehospital Setting?
- #389 Naloxone Administration to Treat Opioid Overdose Before and During EMS Attendance

RF67 EMS & DISASTER | ROOM 2

- #390 Impact of Pre-Hospital Times on Outcomes for Patients with Severe Trauma Within Urban Areas
- #391 Impact of Agency-Issued Mobile Devices on Interpreter Service Utilization in EMS for Patients with Limited English Proficiency
- #392 Barriers and Facilitators to Implementing Paediatric Early Warning Systems in Ambulance Services
- #393 Mass Casualty Incident Triage in the Emergency Department
- #394 Diagnostic Accuracy of Paramedic Lung Ultrasound in an Urban Prehospital System
- #395 Evaluating Quality and Accuracy of Large Language Model (LLM)-Generated Emergency Medical Services (EMS) Handoff Reports in the Emergency Department

RF68 GERIATRICS | ROOM 3

- #396 Blunt Thoracic Trauma in the Elderly: A Secondary Analysis of the NEXUS Chest CT Study
- #397 Use of GLP-1 Receptor Agonists and DPP-4 Inhibitors and Their Association with Sarcopenia in Older Emergency Department Patients in Taiwan
- #398 Firearm Injuries in Older Adults: A National Analysis of Emergency Department Trends
- #399 Association Between Delirium in the Emergency Department and 30-day Mortality: A Retrospective Cohort Study
- #400 Association Between Age and Short-Term Outcomes Following Emergency Department Discharge for Severely Elevated Blood Pressure
- #401 A Cross-Sectional Survey of Knowledge, Confidence, and Decision-Making in Acute Stroke in the Era of Anti-Amyloid Therapies

POSTER 21 | POSTER HALL

- #667 Beyond the Manikin: Measurable Impact of a Physician-Led Cadaver Laboratory for Paramedic Procedural Competency
- #668 Longitudinal Outcomes After Implementing a Prehospital Sepsis Bundle Quality Improvement Protocol in a Single Urban EMS System
- #669 Hospital Resilience in Polycrisis: Compounding COVID-19 Surge Periods and Ransomware-Induced Downtime
- #670 A Multi-Hazard Preparedness Framework for Mass Gatherings: Evidence-Informed Planning for the FIFA World Cup 2026

- #671 Structural Barriers and Facilitators for Social Determinants of Health Screening and Management in the Emergency Department
- #672 EMF Prehospital Determinants of Trauma Center Routing: A Retrospective Analysis of EMS-Physician Base Hospital Consultations for Low-Risk Trauma Patients
- #673 Non-Traditional Housing Insecurity Screening within Emergency Departments
- #674 Development of a Street Medicine Program
- #675 Characterizing Cross-Border EMS Transfers of Care at US-Mexico Ports of Entry
- #676 A Student Co-Developed Policy on Student Volunteering During Emergencies: Approaches and Takeaways

1:00 PM

RF69 HEALTH EQUITY & DIVERSITY | ROOM 1

- #402 Determinants of Successful Linkage-to-Care Following New HIV Diagnosis in an Emergency Department-Based Screening Program
- #403 Pharmacy Access and Hypertension-Related Emergency Department Utilization in Wayne County
- #404 Text-Based Navigation to Support Diabetes Management After Emergency Department Discharge
- #405 Medicaid Patients and Young Adults Report They Would Delay Care with Emergency Department Copayments
- #406 EMF Rural Differences in Emergency Chest Pain Care in a Multisite U.S. Cohort
- #407 Geographical Differences in Burden of Emergency Medical Disease in the United States
- #408 Demographic Disparities in Cancer Screening Willingness Among Emergency Department Patients

RF70 HEALTH POLICY & SERVICES | ROOM 2

- #409 Educational Interventions Reduce Non-Emergent Pediatric Emergency Department Visits
- #410 A National Study of Emergency Department Adult Patients who Lack Primary Care
- #411 Improving Dissemination of Innovations During Public Health Emergencies: Takeaways from Interviews with Key Informants
- #412 Uncaptured Clinical Complexity in Emergency Medicine: Prehospital High-Acuity Features and E&M Documentation Discordance in a National EMS-ED Dataset
- #413 Insurance Status and Emergency Department Arrival Timing for Emergency Care-Sensitive Conditions

RF71 INFORMATICS, AI & TELEMEDICINE | ROOM 3

- #414 The Impact of Regulatory Changes on Triage ESI and Billing CPT Concordance
- #415 LLM-Augmented Emergency Department Documentation: A Multiplatform Evaluation of Efficiency, Productivity, and Coding Outcomes
- #416 AI-Assisted Physician Scheduling Improves Control, Performance, and Cost Compared with a Commercial Scheduling System
- #417 RETRACE (Revenue Enhancement through Targeted Recoding and Automated Chart Evaluation)
- #418 Automated Data Extraction of Pulmonary Embolism Clinical Features from Emergency Department Records Using Large Language Models
- #419 Evaluating AI Sepsis Treatment Strategies: Off-Policy Benchmarking and Clinically Interpretable Survival Mapping

POSTER 22 | POSTER HALL

- #530 Quantifying Discrepancies in EMS-Reported and Dispatch-Reported Instances of Bystander CPR in Cincinnati
- #677 Perceptions Regarding Proposed Changes to ACGME Program Requirements for Emergency Medicine
- #678 Impact of Medical Home Network Enrollment on Emergency Department Use in an Urban Population
- #679 Exploring In-Hospital Transcription of EMS Handoffs in Out-of-Hospital Cardiac Arrest

- #680 Characteristics of Non-Traumatic Medical Complaints Among Undocumented Immigrant ED Patients
- #681 Chest Compressions Protect the Brain Beyond Restoring Circulation: A Nationwide Mediation Analysis
- #682 Emergency Department Boarding: Frontline Worker Coalition as a Collaborative Model for Engagement
- #683 Choosing Time Wisely: An Empirical Approach to Linking Emergency Medical Services Records
- #684 EMF Bystander Interventions in Opioid-Associated Out-of-Hospital Cardiac Arrests in North Carolina
- #708 Artificial Intelligence-Based Electrocardiographic Models for Pulmonary Embolism Detection: A Systematic Review and Diagnostic Meta-Analysis

2:00 PM

RF72 NEUROLOGY | ROOM 1

- #420 Pre-CT Neurological Pupil Index and Neurocritical Care Escalation in Intracranial Hemorrhage
- #421 Emergency Department Eye-Stroke Protocol with Non-Mydriatic Ocular Imaging: Impact on Diagnosis and Management of Acute Retinal Artery Occlusions
- #422 Non-Mydriatic Ocular Fundus Imaging in the Emergency Department for Detection of Ocular Syphilis Presenting as Presumed "Papilledema"
- #423 Intracerebral Hemorrhage Risk Following Anti-Amyloid Monoclonal Antibody Therapy for Alzheimer's Disease: A Large Real-World Cohort Study
- #424 Dopamine Antagonists for Acute Migraine Headache: Comparing Haloperidol, Metoclopramide, and Prochlorperazine
- #425 Negative Predictive Value of CT/CTA to Exclude Aneurysmal SAH in Neurologically Intact ED Patients with Headache

RF73 PUBLIC HEALTH & INJURY PREVENTION | ROOM 2

- #266 Caring for Patients Anywhere, Anyhow: How Boarding Shapes Professional Identity in Emergency Medicine Training
- #426 Halfway Through the Journey: A Five-year Reflection on the 2030 Emergency Medicine Research Strategic Goals
- #427 Factors Associated with Full Recovery from COVID-19 Among Health Care Personnel
- #428 Social Media as a Tool for Bystander Preparedness to Respond to Out-of-Hospital Cardiac Arrest
- #429 Heat-Related Mortality Among Older Adults: National Trends and Missed Opportunities for Emergency Care, 2018–2024
- #430 Lagged Impact of Pre-Infarction Heat Exposure on Post-MI Ejection Fraction, with Synergistic Exacerbation by Particulate Matter

RF74 QUALITY & SAFETY | ROOM 3

- #431 Improving Post-Lumbar Puncture Care in the UCSF Parnassus Emergency Department to Ensure Best Practices and Equitable Care
- #432 Impact of Security Presence on the Perceived Safety of Emergency Medicine Clinicians
- #433 Sharing Unexpected News After Traumatic Death: A Modified Delphi Study
- #434 Improving Distinguishability Among Aliases for Unidentified Patients Across a Hospital System
- #435 Electronic Pre-Arrival Communication Improves Staff Wellbeing, Operational Outcomes, and Patient Experience in the Emergency Department
- #436 GoodTalk: A Relationship-Focused Communication Training in the Emergency Department
- #437 Using Queuing Theory and Discrete Event Simulation to Analyze a Second-Scanner Expansion in Emergency Department CT Operations

RF75 ULTRASOUND | ROOM 4

- #438 Predictors of Technical Difficulty During Emergency Department Nerve Blocks
- #439 Determinants of Protected ("Buydown") Time for Ultrasound Division and Fellowship Leaders in Emergency Medicine
- #440 Using Point-of-Care Ultrasound First in Suspected Nephrolithiasis
- #441 Ultrasound-guided vs. Landmark-guided Intra-articular Lidocaine for Anterior Shoulder Dislocations
- #442 Ultrasound Guidance and Procedural Outcomes of Lumbar Puncture

POSTER 23 | POSTER HALL

- #687 Improving Adolescent Confidence in Hemorrhage Control Through Stop the Bleed Training in a Community-Based Medical Pathway Program
- #688 Association of Pneumococcal Conjugate Vaccination Before Age 3 With Invasive Pneumococcal Infection and Mortality
- #689 Global Behavior Change Screening Disagrees with Behavior Specific Readiness in Urban Emergency Departments
- #690 From Opt-In to Opt-Out: Implementation of Routine Human Immunodeficiency Virus (HIV) Screening in the Emergency Department
- #691 HIV Post-Exposure Prophylaxis Uptake and Emergency Department Care Processes Among Sexual Assault Survivors Evaluated by Sexual Assault Response Teams
- #692 Viral Host-Protein Results are Associated with Admission and Antibiotic Reductions in ED Sepsis-Alert Patients
- #693 Noncontiguous Spine Fractures in Cervical Spine Trauma: A 2019 National Trauma Data Bank Analysis
- #694 Emergency Department-Anchored Hepatitis C Elimination: Early Results From an Urban Initiative
- #695 Impact of Point-of-Care Hepatitis C Virus RNA Testing on an Emergency Department Screening Program
- #696 Weekend Effect on Emergency Department Universal HIV Screening

3:00 PM

RF76 TOXICOLOGY & SUBSTANCE USE DISORDER | ROOM 1

- #443 QTc Interval Changes in Emergency Department Patients Who Receive Low-Dose Droperidol
- #444 Dual-Pathway Ethanol Detoxification Produces Coordinated Multi-System Biochemical Recovery In Vitro
- #445 Educational Utility of Large Language Models in Emergency Toxicology: A Comparative Analysis
- #446 Beyond the K-Hole: Emergency Department Utilization Patterns Among Ketamine Users
- #447 Evaluation of an Emergency Department Substance Use Navigator Program for Stimulant Use Disorder
- #448 Methods to Thaw Frozen Naloxone Nasal Spray
- #449 Trends in Stimulant Use Disorder Among Emergency Department Patients with Cardiovascular Emergencies

RF77 QUALITY & SAFETY | ROOM 2

- #450 Is There Supporting Evidence for Universal Nil Per Os Status Within the Emergency Department? A Scoping Review
- #451 Decreasing Door-to-CT Times for Walk-In Stroke Alert Patients in the Emergency Department
- #452 Dual EMS Acuity Discordance in a National EMS-ED Dataset: Simultaneous Triage and Documentation Gaps and the Case for Prehospital Data Integration
- #453 Early Hospitalist Assumption of Care and Emergency Department Throughput in Admitted Patients
- #454 Reduction of Urinalysis Utilization in the Emergency Department

RF78 ULTRASOUND | ROOM 3

- #455 Ultrasound Leadership Is Doing More With Less: National Trends in Compensation and Support
- #456 ECHO TAP: Linear Array Transthoracic vs. Phased Array Subxiphoid Approach for Ultrasound-Guided Pericardiocentesis
- #457 Impact of the Provider-in-Triage Model on Computed Tomography and Point-of-Care Ultrasound Imaging in Renal Colic
- #458 Accuracy of Ultrasound vs. Manual Palpation of Cricothyroid Membrane Identification in Emergency Medicine Trainees
- #459 Pre-Intubation Ultrasound: An Intervention for Physiologic Optimization Before Emergency Airway Management

RF79 WELLNESS | ROOM 4

- #460 Beyond Vacation: A Block Time Off Program to Improve Physician Wellness and Reduce Burnout in an Academic Pediatric Emergency Department
- #461 Beyond Burnout: Factors Associated with Intent to Leave Clinical Emergency Medicine in Two Caribbean Islands
- #462 Scaling Peer-to-Peer Mentorship to Improve Clinician Well-Being and Engagement in Emergency Medicine
- #463 Litigation Support and Emergency Medicine: A Wellness-Driven Educational Initiative
- #464 ED-BURN: Emergency Department Burnout and Understanding Relationships with Job Satisfaction and Missed Care in Nurses
- #465 Differences in Compassion Satisfaction in Emergency Physicians at Academic vs. Hybrid vs. Community Practice
- #466 Mahalo-grams: Harnessing Gratitude To Strengthen Morale And Team Culture In The Emergency Department

POSTER 24 | POSTER HALL

- #697 Emergency Department Clinician Perspectives on Social Determinants of Health Screening: A Qualitative Study
- #698 Balancing Expertise and Algorithms: Comparative Performance of Clinical Judgment and Early Warning Scores in ED Triage
- #699 Food Insecurity Screening via QR Code in a Pediatric Emergency Department: A Prospective Study of Engagement and Referrals
- #700 From Emergency Department Reliance to Coverage: Integrating Insurance Navigation Into Clinical Workflow
- #701 Intelligent Social Health Tool (INSIGHT) for Emergency Department Needs Screening
- #702 Emergency Department Utilization Before and After Enrollment in a Novel Medical Respite Program
- #703 Emergency Departments as Reproductive Health Safety Nets
- #704 From Crisis to Connection: Referral Patterns for Acute Intimate Partner Violence and Sexual Assault at Kaiser Permanente Northern California East Bay
- #705 Emergency Department Implementation of Sexual Assault CDC Guidelines: A Qualitative Inquiry of Staff Perceptions
- #706 Reducing Emergency Department Utilization Through a Multidisciplinary High Utilizer Care Coordination Program

Expert Theaters

All Expert Theaters are non-CME, industry-presented educational. During each session, food and beverages appropriate for the time slot will be served. Sessions in the exhibit hall are limited to 100 participants and those outside the hall are limited to 40 participants; seating is first-come, first-served.

[See session descriptions](#)

MONDAY, OCT. 5

10:30 AM – 11:15 AM

Opioid Use Disorder - Innovations & Current Practices

Presented by: Opioid Response Network (American Academy of Addiction Psychiatry)
Exhibit Hall | Expert Theater 1

11:45 AM – 12:30 PM

Shifting to an Inhaled Corticosteroid-Containing Asthma Rescue Approach

Presented by: AstraZeneca
Exhibit Hall | Expert Theater 1

11:45 AM – 12:30 PM

Accelerating Diagnosis: Early Experience with hs TnI Point-of-Care Testing in ACS

Presented by: Abbott Point of Care
Exhibit Hall | Expert Theater 2

1:00 PM – 1:45 PM

Innovation in Sepsis Management: Real-World Experience with MeMed BV in Emergency Care

Presented by: Diasorin
Exhibit Hall | Expert Theater 1

1:00 PM – 1:45 PM

TTP in the Emergency Department: Early Recognition, Diagnosis, and Treatment

Presented by: Sanofi
Exhibit Hall | Expert Theater 2

2:45 PM – 3:30 PM

From Evidence to Practice: TBI Biomarkers Reshape Head Trauma Evaluation at MUSC

Presented by: Abbott
Exhibit Hall | Expert Theater 1

2:45 PM – 3:30 PM

Evidence-based Hydration Strategies for Emergency Care

Presented by: PepsiCo Health & Nutrition Sciences
Exhibit Hall | Expert Theater 2

TUESDAY, OCT. 6

10:30 AM – 11:15 AM

Implementing Opt-Out Point-of-Care Syphilis Testing for Pregnant Patients in the ED

Presented by: Diagnostics Direct
Exhibit Hall | Expert Theater 1

10:30 AM – 11:15 AM

The First Innovation in Acute Central Venous Catheter (CVC) Insertion to Break Decades of Silence

Presented by: Becton, Dickinson and Company
Exhibit Hall | Expert Theater 2

11:45 AM – 12:30 PM

Scaling ED Public Health Impact: Technology-Enabled Multi-Disease Screening and Linkage to Care

Presented by: Gilead Sciences – FOCUS
Exhibit Hall | Expert Theater 1

11:45 AM – 12:30 PM

Get Your Game On... How Do You Effectively Manage Respiratory Failure?

Presented by: Fisher & Paykel Healthcare
Exhibit Hall | Expert Theater 2

1:00 PM – 1:45 PM

Do the Right Thing: Host & Pathogen Testing for ED Respiratory Cases

Presented by: Danaher
Exhibit Hall | Expert Theater 2

2:45 PM – 3:30 PM

Early Sepsis Detection: How Actionable Results Are Shaping Clinical Workflows and Care

Presented by: Cytovale
Exhibit Hall | Expert Theater 1

2:45 PM – 3:30 PM

Multimodal Pain Relief at ED Discharge: Acetaminophen + Naproxen Combination

Presented by: Kenvue
Exhibit Hall | Expert Theater 2

WEDNESDAY, OCT. 7

10:30 AM – 11:15 AM

Dual NOP/MOP Receptor Agonism – from Novel Mechanism to Clinical Applications and Considerations

Presented by: Adneuris Therapeutics
Exhibit Hall | Expert Theater 1

ACCELERATE

JANUARY 23 - 29, 2027

AT DISNEY'S CORONADO SPRINGS RESORT, FLORIDA

Register today: acep.org/accelerate

As to Disney properties/artwork: © Disney

Board of Trustees Meeting
October 5 | 11:00 am - 1:00 pm
Marriott Marquis
Level 3, Glessner House ABC

Major Donor Lounge
October 5 - 7 | 7:00 am - 4:00 pm
MPCC, Exhibit Hall

Silent Auction
October 5 - 7 | 9:00 am - 4:00 pm
MPCC, Central Concourse

VIP Reception (by invitation only)
October 5 | 6:00 - 8:00 pm
Mae District
19 E. 21st Street, Chicago, IL

Board of Trustees Meeting
October 5 | 3:30 - 4:30 pm
MPCC, Level 1, W192A

Give-a-Shift Donor Lounge
October 5 - 7 | 8:00 am - 4:00 pm
MPCC, Level 3, Exhibit Hall

VIP Reception (by invitation only)
October 4 | 6:00 - 8:00 pm
VU Rooftop
133 E Cermak Rd, Chicago, IL 60616

ACEP Presents!

Join us in the exhibit hall for networking, education, a chance to see the latest innovations in emergency care and more!

McCormick Place Convention Center | Level 3 | F1/F1A/F2/F2A

Exhibit Hall Hours:

Monday, October 5
10:00 AM - 4:00 PM

Tuesday, October 6
9:30 am - 4:00 pm

Wednesday, October 7
9:30 am - 12:30 pm

ACEP Central

Booth 3228

Come to ACEP Central for ALL things ACEP. While in ACEP Central you can visit with our ACEP partners, learn more about the benefits of membership, get the details on ACEP Accreditation programs, learn about ACEP Anytime, get a professional headshot, buy some ACEP swag, and take a load off in our ACEP Charging Lounge. ACEP Central is open during all exhibit hours.

AI Innovation Zone, Powered by OpenEvidence

Booth 4328

Step into the future of emergency medicine at the new AI Innovation Zone in the Exhibit Hall. Discover cutting-edge artificial intelligence applications, attend expert presentations, and explore how AI is transforming emergency care delivery. [See schedule.](#)

Monday, October 5

10:30 am – 3:45 pm

Tuesday, October 6

10:00 am – 5:15 pm

Wednesday, October 7

10:00 am – 11:45 pm

Talk in the Park

Booth 3238

Pull up a seat at the Talk in the Park stage, located in ACEP Park on the exhibit hall floor, for bite-sized, 15-minute presentation sessions. [See schedule.](#)

Coffee Breaks

Booths 2235 & 4135

Complimentary coffee and sodas are available during daily breaks at these times:

Monday, October 5

10:00 am – 12:30 pm | 2:30 – 4:00 pm

Tuesday, October 6

11:00 am – 12:30 pm | 2:30 – 4:00 pm

Wednesday, October 7

11:00 am – 12:30 pm

Exhibitor Passport

Grab your passport from the registration desk or just inside the hall, travel around the hall to get your squares stamped, and turn it in to ACEP Central for a chance to win registration to ACEP27 in Boston! Plus, you'll even get a fun gift while supplies last just for turning in your completed card!

Expert Theaters

Theater 1: Booth 1832 | Theater 2: Booth 5032

Seating for these presentations is limited and a meal or snacks will be provided, based on the time of day. [See schedule on page 25.](#)

Puppies in the Park

Booth 3238

Need a quick break between sessions? Stop by ACEP Park to spend a few minutes with puppies for a welcome dose of happiness on the floor. Sponsored by TeamHealth.

EM:RAP Live!

Booth 2228

Visit with the EM:RAP rockstars, discuss the hot topics in EM, learn more about what EM:RAP has to offer, and pick up some EM:RAP swag.

EmPATH Interactive Exhibit

Booth 1708

Psychiatric boarding affects your entire ED, from bed availability and patient flow to physician and staff workload. Step inside the EmPATH Interactive Exhibit to explore a dedicated environment for psychiatric emergency treatment. Discover how EmPATH units can reduce boarding, free ED capacity, and prevent unnecessary inpatient admissions while delivering timely, therapeutic care for patients in crisis.

MOOV Wellness Activation

Located on the Central Concourse

Recharge with MOOV. Take a break from the floor and see the difference physician-guided wellness makes. Enjoy complimentary body composition, recovery, and movement & balance activities, sit down with a MOOV physician, or order a biomarker kit to complete on your own time.

ACEP Pathways, Presented by Vituity

Empowering the next generation of emergency medicine leaders! ACEP Pathways provides local STEM high school students with an immersive, guided educational experience introducing them to emergency medicine, physician leadership, research, and clinical innovation. Supporting Sponsor, Fisher & Paykel Healthcare.

Need to Know Information

Lead Retrieval

Attendees' registration badges will serve as a lead retrieval system for the exhibitors. Exhibit personnel will be able to scan the barcode on the badge to get the information provided upon registration.

Name Badges

All registrants will be provided a name badge for use during the meeting. For security purposes, you will be required to always wear your badge, and badges will be scanned for admission to all official events. Individuals without a visible badge will not be permitted into the course rooms, exhibit hall, networking events, or other official ACEP26 activities. You do not need to retain your badge to obtain CME credit. To have a badge replaced, visit the ACEP26 Registration area. Badges are non-transferrable.

Lost and Found

McCormick Place Convention Center | Level 4 | W470A

If you lose or find any items at the convention center or the hotels, you may check with the staff in the ACEP26 Convention Office. ACEP is not responsible for any lost or stolen property.

First Aid Station

McCormick Place Convention Center | Level 3 | First Aid Office

The convention center staff is responsible for treating medical emergencies and serves as liaison to emergency care agencies. If an emergency takes place outside the convention center, dial 911 for assistance.

Americans With Disabilities Act

In accordance with the Americans With Disabilities Act, ACEP uses only facilities that are in compliance. If you require special assistance while attending ACEP26, contact ACEP staff at meetingregistrar@acep.org or visit the ACEP26 Convention Office.

Meeting Conduct Policy

ACEP prohibits any form of harassment, sexual or otherwise, as set forth in its Non-Discrimination and Harassment Policy. Accordingly, some behaviors are specifically prohibited, whether directed at other attendees, ACEP staff, speakers, exhibitors, or event venue staff:

- Harassment or discrimination based on race, religion, gender, sexual orientation, gender identity, gender expression, disability, ethnicity, national origin, or other protected status.
- Sexual harassment or intimidation, including unwelcome sexual attention, stalking (physical or virtual), or unsolicited physical contact.
- Yelling at, threatening, or personally insulting speakers (verbally or physically).

Participants asked to stop engaging in hostile or harassing behavior are expected to comply immediately.

These conduct rules apply to all attendees and participants at any ACEP-sponsored event, as well as ACEP-sponsored meeting social events (such as the ACEP26 networking events, section receptions, etc.). All who register to participate, attend, speak at, or exhibit at an ACEP event agree to comply with this policy.

ACEP26 Classroom Protocol

- **Course reservations are not required.** Schedules can be built in the app for your convenience, but **all courses are first come, first seated** (except paid skills labs and immersive education events).
- Official ACEP26 badges must be worn to all ACEP events.
- Smoking/vaping is not permitted at official ACEP event venues.
- No infants or children are allowed in any classroom, as it could be disruptive to the class, faculty, and session recordings.
- Course room capacity is set and strictly enforced by the local fire marshal and course monitors are on site to manage room capacity.

Course Evaluations

Share your feedback with ACEP26 Course and Speaker Evaluations! Access the evaluation links for each CME session directly through the ACEP Events App. Simply navigate to the associated session, and you'll find the evaluation link under the Documents and Links section. Your input helps us improve and tailor future educational experiences to your needs!

ACEP26 SCIENTIFIC ASSEMBLY

Learning Objectives

Upon completion of this activity, participants will be able to apply the latest advances in the diagnosis, treatment, clinical skills, and practice management innovations necessary for the practice of emergency medicine. Nationally recognized experts will present the latest cutting-edge clinical and practice management techniques. A variety of methods will be used, including case presentations, evidence-based medicine, literature reviews, and in-depth coverage of the latest clinical controversies. (Individual course descriptions can be found at acep.org/ACEP26.)

Presentation Materials

Presentations and other materials are provided by the faculty for most courses. In our journey to a greener meeting, ACEP is distributing these materials exclusively in an electronic format on the ACEP26 online platform and on the mobile app. You can save each presentation to your device's e-reader and access it offline. Need help? Stop by the Registration Area or the ACEP26 Convention Office.

ACEP Anytime

If you registered for the full four-day conference before September 4, you receive complimentary access to ACEP Anytime for one year. All ACEP26 CME courses will be available by mid-November.

CME

The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this Live activity for a maximum of 29.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American College of Emergency Physicians has approved this activity for a maximum of 29.5 hours of ACEP Category I credit.

The American College of Osteopathic Emergency Physicians (ACOEP) is accredited by the American Osteopathic Association (AOA) to provide osteopathic continuing medical education for physicians. ACOEP designates this program for a maximum of 29.5 AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Osteopathic Association through the joint providership of the American College of Emergency Physicians (ACEP) and ACOEP.

This continuing medical education activity has been reviewed by the American Academy of Pediatrics and is acceptable for a maximum of 29.5 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

The AAFP has reviewed Scientific Assembly 2026 and deemed it acceptable for up to 29.50 Live AAFP Prescribed credit(s). Term of Approval is from 10/05/2026 to 10/08/2026. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
