

Final Objectives 2023-24

Clinical Resources Review Committee

Chair: Daniel Freess, MD, FACEP

Board Liaison: L. Anthony Cirillo, MD, FACEP

Staff Liaison: Sam Shahid, MBBS, MPH

1. Review externally funded ACEP clinical point of care tools and other publications or resources (excluding federal grants).
2. Review internally developed clinical point of care tools and other publications or resources as needed.
3. Continue to review and update processes for committee operations.
4. Review products developed by other organizations requesting ACEP's comments.
