

EM Nurses

You have always been a truly **essential** member of our team.

We are joined at the hip in many ways; you are beside us **on the frontlines**.

You've been through the worst of the worst **with us** already, and now you are on the frontlines once again.

The weeks ahead will likely get a lot worse. **Please keep safe.**

Words cannot express how deeply **grateful** we are **to have you** on our team.
